Classes meeting two, three, or more hours a day are expected to use the period assigned for the first hour at which the class meets.

Conflict in examinations should be referred to the schedule committee of the college concerned.

All instructors are asked to observe this principle in order to avoid concentration of examinations and conflicts.

All-University Schedule Committee—T. E. Pettengill

MATRICULATION DEPOSIT

Students should turn in, before the close of the spring quarter, all University property or equipment such as library cards, books, military, athletic or band equipment, laboratory material, locker keys, locks, etc. All such material should be turned in at this time to be reissued in the fall.

Refunds of balances of matriculation deposits of students who do not return for fall quarter will be mailed to their home addresses about November 15.

SPRING QUARTER GRADES

Spring quarter grade reports will be mailed about July 9 to the home addresses of all students in residence during the spring quarter. The report will be in the form of a blueprint of the entire record and should be preserved for reference at future registrations or faculty consultations.

ADVANCE REGISTRATION

I. Term, Summer Quarter, 1943

The advance registration period is arranged so that students in residence in some of the colleges may avoid the necessity of registering with incoming students on June 14-15. Fees will be due on June 15. Students should register according to the following schedule:

June 14-15

Agriculture and Forestry, Institute of Technology, Medical School, Physical Therapy.

A maximum of 9 credits or two 5-credit courses is considered a full program for either term. Registration for a greater number of credits requires permission from the Students' Work Committee of the school or college in which the student is registered.

Students now in residence who expect to attend the first term of the summer session or the summer quarter may register according to the schedule listed above.

Directions for Registration

1. Secure summer session registration blank and bulletin at the information window, Office of Admissions and Records, either campus. Students in Dentistry (now classed as freshmen), Law, Pharmacy, Dental Hygiene, secure registration blanks for regular quarter at college office. Graduate students should obtain summer session bulletin at information window and then report to Graduate School office, 234 Administration for registration material.

2. List courses desired. Then secure the approval of college. Major advisers will approve the blanks of students in the College of Education. Graduate students will secure approval of their major adviser and of the Graduate School, 234 Administration building.

3. Turn in the summer registration blank at your college window, Office of Admissions and Records, where a statement of fees will be issued. Students in Dentistry (now classed as freshmen), Law, Pharmacy, and Dental Hygiene will turn their blanks in at their college office and will receive fee statements in their post office boxes about three days after blank has been turned in. First term summer session fees and fees for entire quarter for colleges that register on the quarter basis must be paid by Tuesday, June 15, to avoid late fees. If you have lost your fee statement or do not receive one in your post office box, call at your college window, Office of Admissions and Records, for a duplicate, as failure to receive a fee statement is not considered an excuse for neglecting to pay fees by June 15. The late fee schedule becomes effective June 16.

Although there will be no penalty assessed students who defer their registration until June 14-15, all are urged to register according to this notice.

Notice to Students in Medical School and School of Dentistry Who Registered for Summer Quarter During Winter Quarter

Fee statements will be placed in post office boxes about June 1. Fees for summer quarter must be paid by June 15 in order to avoid late fee. If you have lost your fee statement or do not receive one in your post office box, call at your college window, Office of Admissions and Records, for a duplicate as failure to receive a fee statement is not considered an excuse for neglecting to pay fees by June 15. The late fee schedule becomes effective June 16.

Institute of Technology Summer Registration

The Institute of Technology has completely accelerated all curricula beginning Summer Session 1943. All students in residence spring quarter, to make normal progress toward graduation, must remain in attendance both terms this summer. Fees will be charged on the summer session basis. Statements of I term fees (except course fees) will be placed in P.O. boxes June 1. Course fees will be billed after registration.

Institute of Technology students will register for summer on June 14-15. Report to the following offices on June 14-15 to secure registration blanks:

Architecture—318 Main Engineering Building.
Engineering—101 Main Engineering Building.
Chemistry, Chemical Engineering, Physics—Library Chemistry Building.
Mines and Metallurgy—103 Appleby Hall.

Registration for Fall Quarter 1943

Dates for registration for fall quarter in the various colleges are listed below:

Agriculture and Forestry, September 23-24.
Home Economics—Seniors and adult specials, September 23, 8:30-12 m.; Juniors, September 23, 1-4:30 p.m.; Sophomores, September 24, 8:30-12 m.; Freshmen, September 24, 1-4:30 p.m.
General College, September 20-25.
Graduate School and teachers in service, September 23-October 9.
Public Health Nursing, September 22, 23, 24.
Science, Literature, and the Arts, September 20-25.
Other schools and colleges, September 23-24.
Fall quarter classes will begin September 27.

Payment of Fees for Fall Quarter 1943

The last date for payment of fees will be September 16 for students in the Institute of Technology, Business Administration, Law, Dentistry, Dental Hygiene, Pharmacy, Agriculture, Forestry, and Home Economics. Fee statements will be mailed about August 28 to students registered in these colleges. Failure to receive a fee statement cannot be accepted as a sufficient

(OVER)

reason for late payment or nonpayment of fees. Any student who does not receive a statement of fees by September 3 should notify the office of admissions and records immediately so that duplicates may be obtained in time to be paid by September 16.

The last date for payment of fees will be September 24 for students in the College of Science, Literature, and the Arts, College of Education, University College, Medical School, Medical Technology, X-Ray Technology, Nursing, Public Health Nursing, Public Health, Physical Therapy, and General College who will receive statement of fees upon completion of registration in the fall.

The last date for payment of fees will be October 9 for students in the Graduate School and for teachers in service who will receive their statements of fees upon completion of registration in the fall.

S.L.A. Sophomores Who Wish to Enter the Senior College, Fall Quarter
Sophomores who will have completed the Junior college requirements and who desire to enter the Senior college in the fall quarter, should report to the information window, office of admissions and records, and file request for change of college by June 3.

NOTICE TO DEPARTMENTS

Spring quarter grades and charges against student deposits should be reported to the Office of Admissions and Records before noon, Tuesday, June 15.

To facilitate recording, final grades for the spring quarter should be sent to the Office of Admissions and Records as early as possible. All grades should be submitted before Tuesday noon, June 15. It will greatly facilitate grade recording if individual reports are forwarded immediately as typing is completed.

Change of College Procedure

Students who wish to transfer from one college to another at this University or who expect to complete at the close of this quarter, the pre-professional work required and who desire to enter a professional school at the opening of the fall quarter, should report to the general information window, office of admissions and records, either campus by June 3 to file request for Change of College.

A report of transfer status will be mailed to the home address August 23. Students will register and pay fees in the new college during the regular registration period in the fall.
