Student Speakers

Uyen Nguyen – *Labovitz School of Business and Economics*

Uyen Nguyen (she/her) is graduating with a Bachelor of Business Administration, majoring in healthcare management and minoring in finance, and while she always knew she'd go into business, it wasn't until studying at UMD that she found the right fit.

Nguyen was born in Vietnam, and her family moved to Minnesota when she was just seven years old. Inspired by many of her family members working in the healthcare field, she's now actively searching for careers where she can put her degree to use within healthcare administration.

Outside of classes, Nguyen has been involved across campus, from leadership roles in Student Government Association (including rep-at-large, financial officer and most recently, as student body president), to vice president of Omicron Delta Kappa, secretary for the Student Health Care Management Association, and CORE ambassador for the Office of Diversity and Inclusion. In her spare time, you could find Nguyen at the gym, exploring Duluth's food scene, curled up with a book, or spending time with friends and family.

Looking back at her time at UMD, Nguyen remembers just how much has changed. From overcoming a pandemic to graduating, "we're super adaptable now," she says. "You should be proud of that."

Olivia Nelson – *College of Arts, Humanities, and Social Sciences*

Olivia Nelson (she/her) will be graduating with a Bachelor of Fine Arts in theatre, with emphases in both musical theatre and acting, and an art minor.

Nelson grew up in Prior Lake, but was always drawn to the North Shore. When it came time for college, she set her sights on UMD. "I knew that this was a special place," she said. Since choosing theatre, Nelson has been involved in productions across campus and Duluth, with the outdoor twilight production of *The Moors* as one of her favorite memories.

Outside of classes and all-evening rehearsals, Nelson has spent her time connecting with friends, and supporting her fellow students as an inclusion and advocacy officer on the Stage 2 Board and through work with Art in Ordean. Off campus, she enjoys thrifting, watching movies, creating art in her home studio, and whenever she can, visiting Lake Superior.

After graduation, Nelson wants to head to Chicago, to continue telling stories and share her voice through acting and writing. "I want to make new stuff," Nelson said, "things that nobody's ever seen before."

"UMD is where I learned who I am," Nelson said. "I feel like I'm set up to do anything."

University Honors Scholars

Ryan Goei, Associate Professor of Communication, University Honors Director

University Honors is designed to bring together students from many different majors, interests, and backgrounds and encourage them to learn broadly about human nature and society and to engage actively in their communities and academics. Consistent with the University's overall mission, University Honors offers an enhanced liberal education experience designed to develop leaders who bring a broad approach to academics, research, creative activity, and public engagement across the disciplines.

Candidates for Commission

Lt Col Jesse Peterson, Professor of Aerospace Studies

Commission as Second Lieutenants United States Air Force

Following commencement, the following students will be commissioned as 2nd Lieutenants in the United States Air Force as a result of completing the University of Minnesota Duluth's Air Force Reserve Officer Training Corps (ROTC) program. ROTC provides four years of leadership development and professional training; this program is the primary commissioning source for US Air Force officers.

The National Anthem

Oh, say can you see,
by the dawn's early light,

What so proudly we hailed at the
twilight's last gleaming.

Whose broad stripes and bright stars,
thru' the perilous night,

O'er the ramparts we watched,
were so gallantly streaming.

And the rockets' red glare,
the bombs bursting in air,

Gave proof thru' the night
that our flag was still there.

Oh, say does that star-spangled
banner yet wave,

O'er the land of the free
and the home of the brave.

Hail! Minnesota

Hail! Minnesota

Hail! Minnesota
Minnesota, Hail to thee!
Hail to thee, our College dear!

Thy light shall ever be
A beacon bright and clear;

Thy sons and daughters true
Will proclaim thee near and far;

They will guard thy fame
And adore thy name;

Thou shalt be their Northern Star.

Like the stream that bends to sea,
Like the pine that seeks the blue!

Minnesota, still for thee
Sons and daughters strong and true;

From thy woods and waters fair
From thy prairies waving far,

At thy call they throng
With their shout and song.

Hailing thee their Northern Star.

The flowers and plants used during
the commencement ceremony will
be planted around campus as part of
UMD's sustainability efforts.

Academic Attire

The Gown

The flowing gown comes from the 12th century, evolving from the dress of medieval guilds and the early religious orders. Today it is a symbol of the democracy of scholarship. It is black for all degrees with standard sleeves for the bachelor's degree recipient, long, closed sleeves for the master's, and standard or round full sleeves for the doctoral degree. For the doctoral degree, the front face of the gown has velvet panels and has three chevron bars of velvet across the sleeves in black or in the color distinctive of the faculty's discipline.

The Cap

The black academic cap is a sign of freedom of scholarship and independence worn by all bachelor's and master's graduates. The term "mortarboard" is derived from the similar four-sided mortarboard used by masons. A clue as to why Oxford faculty members chose the square cap is found in the 1564 poem, "Tis square like scholars and their books: The rest are round, but this is square to show that they more stable are." Doctoral graduates may wear a velvet tam.

The Tassel

Colors represent the academic discipline in each UMD school or college:

College of Arts, Humanities, and Social Sciences – brown, citron, crimson, dark blue, gold, peacock, pink, or white

College of Education and Human Services Professions – citron, gray, gold, light blue, or sage

Labovitz School of Business and Economics – copper or drab

Swenson College of Science and Engineering – gold or orange

Master's – black

Doctorates – gold

The Hood

The hoods indicate master's and doctoral degrees. The front colored band indicates the academic discipline, while the lining of the hood has a maroon chevron on a gold background to represent the University of Minnesota colors. University faculty members who hold a degree from another college or university wear the colors of their own school. The doctoral hood is longer than the master's, and has a wider velvet band.

Student Honor Medallions

Honor medallions are worn by candidates for the bachelor's degree who are in the top 15% of the graduating class within their school or college.

Top 3% (Summa Cum Laude)

Top 5% (Magna Cum Laude)

Top 7% (Cum Laude)

For the purpose of the commencement program, honors are based upon the UMD grade point average at the end of the previously completed term. Honors will be conferred as indicated on those listed and others who meet final graduation requirements.

Ceremonial Objects

The Mace, which is carried by the faculty member leading the academic procession, symbolizes leadership and authority. Use of a mace dates back to the 12th century when it was carried by royal bodyguards. Even in more modern times, the mace has maintained some of its ancient function of keeping order. The doorkeeper of the Minnesota House of Representatives has a mace for use in formal House activities. The mace carried in UMD's commencement procession has a glass sphere topped by the North Star; a symbol of the state of Minnesota. It also has a seal of the University set in the handle.

The Seal was adopted by the Board of Regents in 1939 as the corporate seal of the University of Minnesota. The Latin motto, *Omnibus artibus commune vinculum*, means "a common bond for all the arts." The lamp represents the metaphysical sciences, the telescope represents the physical sciences, the plow represents the industrial arts, and the palette and brushes represent the fine arts.

Non-Academic Recognition

Multicultural Symbols Students involved with the Multicultural Center may be wearing a Kente Stole with multiple colors. The stole has a black background, red, gold, and green stripes and letters and symbols in gold. The Ashanti Stole symbol represents royalty, the diamond (neck area) represents wealth and riches, and the key represents the key of success. “Class of 2024” is woven on both sides.

GLBTQAI+ students and allies may wear a lavender cord.

International students may wear a stole with a flag representing their home country.

Student-Athletes may wear a maroon stole with gold embroidery and an image of the Bulldog mascot.

Ceremonial Features

Fond du Lac Reservation Around the Earth Singers

This group of drummers and singers from the Fond du Lac Band of Lake Superior Chippewa will perform an honor song featuring a traditional Ojibwe drum from the Fond du Lac Band. The singers are led by Michael Munnell, UMD’s first American Indian Studies graduate. The group performs at dozens of events in the upper Midwest each year and is often featured at UMD events. This drum is one of the first in Minnesota to welcome women singers to sing with the male singers at the drum. An honor song offers sincere thanks and acknowledgment of accomplishments.

UMD Symphonic Wind Ensemble

The Symphonic Wind Ensemble is a select unit of approximately 50 music and non-music majors and is one of the premier ensembles in the UMD Department of Music. The ensemble regularly performs new compositions for the wind band medium and programs the most outstanding literature currently available. The group tours frequently and has appeared at the Minnesota Music Educators Association Conference and the College Band Directors National Association National Conference. Besides taking regional tours, the Symphonic Wind Ensemble has also toured internationally in Brazil. Recent guest conductors and clinicians have included: Frank Ticheli, Eric Whitacre, David Gillingham, Mark Camphouse, Phillip Sparke, and Myron Welch.

Land Acknowledgment

We collectively acknowledge that the University of Minnesota Duluth is located on the traditional, ancestral, and contemporary lands of Indigenous people. The University resides on land that was cared for and called home by the Ojibwe people, before them the Dakota and Northern Cheyenne people, and other Native peoples from time immemorial. Ceded by the Ojibwe in an 1854 treaty, this land holds great historical, spiritual, and personal significance for its original stewards, the Native nations and peoples of this region. We recognize and continually support and advocate for the sovereignty of the Native nations in this territory and beyond. By offering this land acknowledgment, we affirm tribal sovereignty and will work to hold the University of Minnesota Duluth accountable to American Indian peoples and nations.

Our Mission

The University of Minnesota Duluth integrates liberal education, research, creative activity, and public engagement and prepares students to thrive as lifelong learners and globally engaged citizens.
