GOPHERS TROUNCE SOUTH DAKOTANS

MINNESOTA WEIGHT TOO MUCH FOR FARMERS.

Varsity runs up a large score in a one-sided contest.

Saturday's defeat of South Dakota was the most complete walk-a-way seen on Northrop Field since the Grinnell game a year ago.

The score of 81 to 0 does not represent Minnesota's strength so much as it does the weakness of the farmer team.

The opponents were very light, and offered little resistance to the plunges of the Varsity's heavy backs and line men. They were in poor physical condition and were outplayed completely. The grit they displayed in spite of their lack of other team qualities was generally noticed.

It was an individual game.

The lack of team play was quite in evidence, especially in the first half. Fumbles were not rare, and many a time it was only the slowness of the Dakota men that saved the ball to Minnesota.

Cutting played his usual star game. Schucknecht several times took the ball for long gains, and showed himself swift of foot.

The rest of the team played well, but were very erratic.

The bruised men held out well. Larkin was the only player taken from the game, and his injury was not serious.

STUDENTS OFFER MANY NEW YELLS

RAH! RAH! RAH!
RAH! RAH! RAH!
SKI-U-MAH!
MINNE-SO-TA!

Given once with Tiger, locomotive style.

The above yell was used with great effect by some of the rooters at last Saturday's game, and is one of the best suggested up to date.

Students from all the colleges have responded to the request for yells and have handed in some very good ones.

One that deserves special mention is the following, which is a popular form used at Princeton.

Rah!
Min-ne-so-tah!
Rah!
Min-ne-so-tah!
Rah!
Min-ne-so-tah!

—Tiger.

Following are some other yells which have been submitted,

Hoo! Rah! Rah!
Gopher!
Hoo! Rah! Rah!
Gopher!
Hoo! Rah! Rah!
Gopher!
U-Rah! U-Rah!
Min-ne-so-ta!

Repeat three times with tiger.

GIRLS GLEE CLUB.

First rehearsal will be held next Thursday.

The University Girls' Glee Club will hold its first rehearsal next Thursday, under the instruction of its leader, Carlisle M. Scott. The final try-out of the voices has been made. A fine lot of voices has been secured to work with and the best glee club the university has ever had is confidently expected. The club has sent for its new music, which is expected to reach Minneapolis in time for the opening rehearsal.

The demand for glee club music is especially noteworthy this year, one dealer alone having sent for no less than 600 copies of glee club music.

DATE SET FOR JUNIOR BALL

ASSOCIATION AT WORK ON ARRANGEMENTS FOR BALL.

Brilliant function to be bigger, brighter and better than ever before.

At the last meeting of the Junior Ball Committee it was decided to hold the ball as near as possible to the time it was given last year, making the probable date the second Friday in February, 1906.

The eleven committees and their chairmen have been decided upon and work has been begun.

The Junior colors, green and white, are most effective for decoration and the committee promises to have the arrangements in that line novel and beautiful as well.

The association is an especially capable and large one this year, having twenty-eight members, so that the ball will doubtless be the most successful in University history.

The complete announcement of the officers and the various committees and their members is as follows:

President, Willis M. Spring; vice-president, Ned C. Starret; secretary, Frank S. Lyon; treasurer, Will A. Hubbard. Committees—Arrangements: M. J. Brown, chairman, Frank E. Lee, Nicholas A. Gilman. Decorations: R. L. Griggs, chairman, Harold Porter, James Kremer. Refreshments: Nathan Blackburn, chairman, Randolph J. McRae, Leonard F. Boyce. Music: Day I. Okes, chairman, John M. Lowe, Lee Gilman. Printing: Earl N. Huntly, chairman, James Kremer. Press: Geo. deL. Connavaro, chairman, Carroll K. Michener. Correspondence: Frank J. Lowey, chairman, Herbert Thompson. Programs: Fredrick C. Powell, chairman, William G. Clark. Patronesses: Floyd Loomis, chairman, Claude Rossman. Floor: Donald S. Blair, chairman, Claude Rossman. Auditing: Charles F. Jackson, chairman, Archibald C. Powell.

ROOM FOR MORE.

There is plenty of room for one hundred girls in the Woman's League Lunch room. Come and bring your lunch and get a nice hot drink.

J. J. McManamy, Law '03, is practicing law in Madison, Wis.

PRESS CLUB WILL HOLD INFORMAL

FACULTY CHANGES ITS MIND IN REGARD TO PARTY.

This year's function to be even more enjoyable than usual.

The faculty have finally decided that the Press Club may give its annual party, and accordingly all necessary arrangements are being made for the function.

Those who remember the successful dance given last year will be pleased to hear that this year's affair will be modeled after it. As was done last year the party will be held on the eve of the Nebraska game. This was found a very convenient date, and it affords an opportunity to entertain Nebraska visitors, several of whom it will be remembered were present last year.

All the arrangements are being made regardless of expense. The music will be the best obtainable. The programs will be in the press club colors and light refreshments will probably be served. A number of faculty members have been invited to chaperon the dance.

The practice of introducing stunts between the dances will be followed this year. A number of talented University people have already consented to furnish entertainment and at least half a dozen numbers will be rendered, a complete list of which will be published in a few days.

(Continued on page 3.)

M'CLUMPHA WILL LECTURE ON DRAMA

LEROY ARNOLD WILL ASSIST IN THIS COURSE.

Dr. Burton's course to be continued for benefit of students.

It is particularly gratifying to the University and the public in general that the work of Dr. Burton on the drama will be continued.

Tomorrow at 4:15 Mr. Leroy Arnold will lecture on "John Heywood and the Rise of the Comedy," and Dr. McClumpha will follow with a lecture on "The Rise of Realism in the Drama."

Both lectures will be given in one hour so that students will not be pressed for time.

Mr. Arnold's lecture last Tuesday was very interesting and was largely attended by both students and outsiders. These lectures are free and open to both students and the public.

SENIOR MEN ENJOY FEED.

About twenty-five men of the Senior class enjoyed the dinner last Friday night. All who were present are enthusiastic in their report of a good time.

It is hoped that the next dinner will be better attended, and in order to assure this, the price will probably be lowered.

MEETING POSTPONED.

Freshmen put off election because of game.

On account of the football game Saturday the meeting of the Freshman Academic class was postponed. It will take place Wednesday after the fourth hour in Professor McClumpha's room.

A new treasurer will be elected, a constitution formulated and other important business decided.

All Freshmen are urged to be present and complete the organization in a style worthy of the class of '05.

HOSPITAL SITE TO BE DONATED

LEGISLATURE MAY ADD TO ELLIOTT BEQUEST.

President Wyman of the Board of Regents gives his opinion.

It is probable that when the legislature meets the state will be presented with an institution worth over \$200,000. The Elliott bequest provides for the building of a University Hospital and now the members of the medical faculty are making arrangements to secure the site. Before the legislature meets they expect to have guaranteed free to the state a suitable site worth probably \$100,000. One whole block has been offered and many money gifts are expected.

Thus the institution will be no initial expense to the state, but the legislature, at its next session, will be asked to appropriate funds for the first year's running expenses. The executors of the Elliott estate have agreed to the delay in the acceptance of the bequest till after the legislature shall have acted.

Mr. Wyman, president of the Board of Regents, said, in regard to the proposed hospital:

"My idea is to have it on the cottage system with separate small buildings, clustered together, each devoted to a different purpose, one of the buildings to be a clinical hospital. We cannot build a great hospital with the \$125,000 or \$140,000 which the Elliott bequest will amount to, but the University is badly in need of its own hospital which, with its charity patients, would furnish the students the proper clinical material, as the hospitals of Michigan and Chicago Universities do for their students.

"My idea would be to combine with it a detention hospital for which there is a crying need in the state."

BACK TO NATURE.

Sunday afternoon the members of the football team again enjoyed a tally-ho ride into the country. They were taken out into the wilds toward Como and here, equipped with blankets and other means for comfort, they enjoyed an afternoon about a bon-fire in true warrior style. The report that Joe Cutting ran down a jack-rabbit is denied by those who were present.

THE OLD GRAD SPEAKS.

Nov. 11, 1905.

The Minnesota Daily—
My Dear Sir—
All this talk about the yell having no
noise in it is rather amusing to an old
grad.
The trouble is with your so-called
rooters and not with the yell.
You don't know how to yell.
Perhaps a little yell history wouldn't
be out of place.
When I was a Freshman or Sopho-
more (many years ago) the yell was
Rah! Rah! Rah!
Ski-U-Mah!
Minn-so-tah! —Tiger.

and it was yelled rather slowly.
The same dissatisfaction arose at
that time that we hear now, so a com-
mittee was appointed to select a new
yell. The committee reported the fol-
lowing yell:

Rah! Rah! Rah!
Rah! Rah! Rah!
Hoo-Rah! Hoo-Rah!
'Varsity! 'Varsity!
Minn-ne-so-tah!

This was rejected by a mass meeting
chiefly because the traditional Ski-U-
Mah was left out. There was not time
to adopt a new yell before one of the
big games (Wisconsin I think) and no
other yell proposed seemed at all sat-
isfactory.

A large crowd, like the present root-
ers' brigade, got together and inserted
Ski-U-Mah for the second three Rahs
in the above yell and went to the big
game to "yell the new yell in." That's
how the present yell came to be used.
It never was adopted, but it was gen-
erally adopted because it was "so full
of noise."

I remember how the old grads of
that day shook their heads and tried to
keep the old yell going, but it was
no use, the new yell's too noisy for
us" they said. The old yell was not
heard again, the new yell became very
popular and remained so till about
three years ago or more when we had
a yell captain who had heard of "Hur-
ry-Up" football and he got it into his
head that if it was good to play fast
it was better to yell fast, so he "hol-
lered" "faster! faster! faster!" till the
good old yell was utterly spalled by
yelling it too fast and repeating twice
instead of once. The cadence has been
entirely changed till now a good yell is
made into a series of breathless yaps.
No wonder you don't know how to yell
it.

If it is yelled slowly once or twice
through, there is no yell, except the
incomparable U-Rah-Rah Wisconsin,
that can equal it for noise.

Now, I propose that you rooters—I
almost said grunTERS—try the yell as it
was used for ten years with satisfac-
tion, before adopting a new yell.

As to new yells, there is no objection
to having more than one yell, but have
the old one right and you won't want
a new one. Very truly yours,
Old Grad, '94.

Wednesday the topic is "The Power of the Cross of Christ. Country, Europe." Leader, Luella Huelster.

Thursday, topic "Power of the Holy Spirit. Country Asia. Leader, Jessie Abbott.

PREXY INSPECTS AN IRON MINE.

President Northrop returned yesterday from his trip to the northern part of the state.

He was present at the opening ceremonies of the new Eveleth high school and also attended a meeting of local educators.

Prexy took occasion to visit one of the iron mines near Eveleth, and describes the experience as follows:

"I went through an iron mine while there. They put me into a tarpaulin hat, an old coat, a pair of overalls and high rubber boots. As I told the guide, I don't believe I ever looked as disreputable as I did then, unless it was when I came out.

"We were carried straight down some 300 feet and had an opportunity to inspect every part of the interior of the mine. Aside from our feeling that we presented a somewhat disreputable appearance I can say that we enjoyed the experience very much."

EVANGELISTS DRAW CROWD.

Sunday afternoon in the Armory a monster mass meeting was conducted by the Chapman evangelists.

Dr. Henry Ostrom preached on "Our Religious Assets." Dr. Ostrom held the attention and interest of the audience in a really remarkable way. Mr. John P. Hillis sang the invitation, and the Andrew Orchestra furnished several selections throughout the service.

Today at four o'clock another evangelistic mass meeting will be held in chapel. Dr. Clarence B. Strouse will speak and Mr. Maxwell will sing.

Dr. John Elliott, one of the Chapman Evangelists, spoke in chapel yesterday morning.

Mr. C. E. Rykert, Dr. Elliott's soloist, rendered a sacred selection, which was much appreciated.

GAME WITH NORTHWESTERN FRESHMEN CALLED OFF.

The game scheduled between the Minnesota and Northwestern Freshmen has been called off by Northwestern.

Northwestern claims that her team is not in shape and that a game is out of the question. The game was to have been played in Chicago the Saturday before Thanksgiving.

This decision on the part of the Northwestern management will be a sore disappointment to the '09 men, as they have been making plans for the trip to Chicago all season.

PRESS CLUB IMPORTANT.

There will be a meeting of the Press Club, new and old members, in Dr. Folwell's room at chapel time today.

NOTICE.

This afternoon Dr. Clarence Strouse will speak in chapel. Meeting open to both men and women.
