HAWKEYE TRACK SQUAD TO MEET VARSITY FRIDAY

First Inter-Collegiate Meet of Year on Northrop Field.

Smiley Has Fast Opponent in Captain Miller of Iowa—Visitors Miss Last Year's Star.

The first inter-collegiate meet will take place Friday afternoon on Northrop Field between Minnesota and Iowa.

The prospects of a victory for Minnesota are greatly strengthened by the outcome of the all-university meet. The time made in the track events last Saturday was far better than that made in the all-university meet of last year. Moreover we beat Iowa last year by a score of 40 to 25, first places counting.

Bush, Smiley, Mortenson, Woodrich and Hill should be good for some first places judging by the meet of last week. Smiley should make Captain Miller of Iowa go for a place in the dashes. Ripley, the man who won Iowa's points in the distant runs, will not be here this year. Carberry of Iowa will push Woodrich hard in the hurdles.

Minnesota is likely to show up poorly in the field events unless they do better than was done last week. However the poor showing was due to insufficient training and this week's meet will make a vast difference.

CADET BAND TO HELP ON THE "MAKE GOOD" SPIRIT

Merchants of University District to Entertain for Southeast Minneapolitans To-night.

That "Minneapolis Makes Good" is again to be demonstrated tonight when the merchants of South-East Minneapolis will give their concert at the University students and residents of southeast.

The university band will furnish the music from a stand erected at the corner of Fourteenth Avenue and Fourth Street and hand bills have been distributed around the campus.

The band has been practicing for the event and a large crowd is expected to turn out.

ALCANTARIANS LEARNING FAST

Spanish Steps and Fancy Dances Now Being Practiced Under Direction of Miss Malcolm.

With the date of presentation only a brief two weeks away, the principals and chorus of the "Doctor of Alcantara" are spending every spare minute in rehearsals.

The setting and figures are very picturesque. The fancy steps and pretty dances, characteristic attributes of the Spanish swains and maidens are being daily practised by the chorus under Miss Malcolm's patient schooling.

Both Mr. Rose and Miss Malcolm report excellent progress. The tickets to the Pan-Hellenic council for final action.

Robertson Productions To Tax Chapel Capacity

Two-thirds of Evening Capacity Already Sold Out—Matinee Performance Not Quite So Popular—Management Has Reduced Matinee Rates.

Hamlin Garland Urges an Endowed Theatre for Robertson—Praising Actor and His Company in Highest Terms—Chicago Criticism of "Triumph of Youth."

Donald Robertson bids fair to play to packed houses tomorrow. The advance sale has been remarkably large, two thirds of the evening house and one third of the afternoon house, being already sold out. The matinee performance has aroused less interest naturally,

admission: these seats may be secured at the reduced price this morning at Wilson's.

VARSITY MEETS AMES TODAY IN FIRST GAME ON TRIP

Coach Wilmot Left Last Night in Best of Spirits.

Dretchko Joyful Over Recent Conquest of the "Merry Widow."

A confident bunch of ball tossers left the Union Station last night bound for Ames, Iowa, where they will cross bats with the "Aggies" this afternoon.

Coach Wilmot was in the best of spirits.

Twelve men constituted the party exclusive of Coach Wilmot and Athletic Manager Helon Leach. Every man was in the pink of condition.

Dretchko, Varsity's star twirler, was the happiest man in the bunch, due to the fact that he has at last mastered the "Merry Widow" curve. He expects to use it in all of his games. "Roundhouse" Rand, Varsity's catcher, is suffering slightly with a sore "mitt" but expects to be in good shape before the Wisconsin game.

This is the only injury reported and with an even break of luck the trip should prove most satisfactory.

ADVISORY BOARD CHOOSES AN ALUMNA FOR SECRETARY

Leila Albrecht ex-'08 Chosen to Lead Varsity Y. W. C. A. Next Year.

The advisory council of the Young Women's Christian Association at its meeting Monday appointed Leila Albrecht, ex-'08, general secretary of the university association for next year.

Miss Albrecht was prominent in Association work while attending the university. This year she has been Y. W. C. A. at the normal school at Kirksville, Missouri.

Miss Margaret Burton, the present secretary, leaves in July on an extensive world-tour with her parents, Professor and Mrs. Ernest D. Burton of the University of Chicago.

CANDIDATES FOR REGENCY

Alumni have Submitted Several Names to Governor.—Appointment Under Consideration.

When a vacancy occurred in the Board of Regents thru the death of Regent Noyes, the Board of Directors of the General Alumni Association sent Governor Johnson a list of names of eight men any one of whom would be acceptable to succeed Regent Noyes. The list is as follows: W. D. Willard, Mankato; O. A. Lende, Marshall; W. H. Hoyt, Duluth; C. A. Smith, D. P. Jones and L. S. Gillette, Minneapolis; J. W. Willis and Charles L. Sommers, St. Paul.

Governor Johnson has these names under consideration and has promised to announce the appointment within the month.

Only One of Many.
 As Commencement Week rolls around again, we are reminded that nearly a year ago we promised ourselves that before the Baccalaureate arrangements were completed this year, we would ask if several things might not be somewhat different in the 1908 service.

It is of no moment to tell of all the disagreeable features, many of them insulting to say the least. We only hope that steps will be taken to keep the arrangements and their execution in keeping with the solemnity of the occasion and a Sabbath afternoon.

FOR THE GOOD OF THE CAUSE

Three years ago the superintendent of grounds planted a lot of little shrubs which by this time have developed into blooming shrubs with promise of doing much to beautify the campus. Their great possibilities came to a sad end yesterday, however, when, unwittingly or perhaps with a mistaken idea of what the shrubs were, some co-eds cut them down and the beautiful green foliage is now fast withering over the doors of Shervlin.

ROBERTSON PRODUCTIONS.

(Continued from 1st page.)
 a word of praise in print I feel personally indebted to Mr. Robertson for the opportunity he has given for the enjoyment of the highest drama.

An excerpt from a criticism of Robertson's recent Chicago production of the "Triumph of youth" is big evidence of the splendid way Robertson stages the piece.

"The Triumph of Youth" a delicate fabric of sentiment, pensive, pretty, fanciful and representative of the French comedy of the second half of the nineteenth century at its most innocent. The interpretation of this play demanded refinement, gay spirits and tender feeling, and those qualities were disclosed. The piece was acted just as well as "The Hypocrites" is being acted downtown and the performance would have charmed any audience of first-nighters at Powers—the standard stage of this community. Settings, dresses, music, were again in good taste, the entr'actes brief, and the whole tone of this revival of a little known but exquisite work, professional and correct."

CADET EXAMS ON THIS WEEK

Promotion Quiz Comes Friday Noon
—Palace Medal Exam Comes
Saturday After Drill.

Friday noon at one o'clock the examination for promotion in the University Cadet Corps will be held in the lecture room of the Physics building. This is open to all cadets and is the basis of promotions for next year. The announcement of promotions will be made on a later date.

Saturday afternoon immediately following drill, there will be the annual competition among privates for the Palace medal. The candidates are put thru a drill-down and the best drilled competitor is awarded the trophy. Sergeant Rand, Company G, was the winner last year. Every private is urged to compete.

The examination for promotion in the battery will be given Friday, May 22nd.

OVER FORTY ENTER LISTS

Preliminary Matches Must Be Played
Before Next Wednesday—
Notify Secretary.

Forty-six girls have entered the annual tennis tournament which accordingly promises to be unusually interesting. The drawings were completed yesterday and will be posted in Shevlin.

The preliminary matches must be played before next Wednesday. Each contestant is directed to arrange immediately with her opponent to play her first match, notice of such arrangements to be given to Ruth Tallant. If nothing is heard about the playing of any match before Wednesday, it will be considered a default. The players are requested to watch the schedule.

ALUMNI GETTING TOGETHER.

The university alumni in the city are planning to adopt the "Dutch Treat" luncheon idea for their meetings. The plan has been tried in other cities where it has proved a success. A plan is designated when all the alumni agree to meet for luncheon one Saturday in each month.

Should the project meet with success, it is probable that it will ultimately lead to a permanent university club.

AMUSEMENTS

METROPOLITAN.

A new element, telepathy, is introduced into the drama by "The Witching Hour," at the Metropolitan this week. The theme of the play is the dynamic power of thought, and set in the framework of a melodrama it has been handled by Mr. Thomas in a forceful and masterly manner.

BIJOU.

"The Cowboy Girl" is the attractive bit of femininity at the Bijou this week. She is the central figure of a musical melodrama, that species of the play which combines tune with thrill. The sort of piece that the Bijou clientele likes.

LYCEUM.

"The Spoilers," at the Lyceum this week, marks the last week of Frank Priest's management of the Hennepin avenue playhouse. While the piece is improbable and overly exciting, it has been cleverly put together and should please the majority of Lyceum patrons. Next week Frederick Bock will take over the reins of the Lyceum, opening with a big production of "Macbeth."

ORPHEUM.

"The Fadettes of Boston," twenty-two attractive young women, will repay the visitor to the Orpheum this week with their splendid rendition of high class musical programs. The act is one of the best in vaudeville and the Seventh street playhouse will probably be filled all week.

Yesterday the Pan-Hellenic association met in conference at Shevlin Hall to discuss the advisability of discontinuing the present rushing system. The matter was discussed at some length, but no agreement was reached, tho the general state of mind seemed opposed to the new system.

The matter of its abolition and the choosing of a substitute were referred to the Pan-Hellenic council for final action.

The junior class of the school of mines, numbering fifteen men or more, is now surveying on Columbia Heights. After they have finished their surface surveying, the class will leave for the Vermillion and Duluth range, where they will do underground work. Later they will go to Denver and study methods of mining. After six weeks of this kind of study, they will be taken on the pay roll of the mines and put to real work.

MATH NOT COMPULSORY.

Faculty Recommended Two Weeks
Less in College Year—Other
Business.

For two years a movement has been on foot to make some changes in the freshman program and it culminated at Saturday's faculty meeting. Mathematics will not be required of those who have credits in High School Algebra and Geometry, but five hours instead of three will be required of those who have not. Range of choice for the beginners is limited nevertheless. A foreign language and a science are required while only one subject may be taken in the vernacular. Spanish and expression have been put up into the second.

A recommendation was sent to the effect that school should not begin until a week later than usual and that a week's vacation be given at Easter. Only the latter could take effect next year.

WHY SPALDING SHOES ARE BEST.

Because we use the best Kangaroo leather for the tops.

Because we use the best White Oak leather for the soles.

Because we use the finest Hand made Steel Plates obtainable.

Because they are made in our own factory, by men who have been in our employ for many years, and, from their knowledge and experience, know just what is required.

In addition to this, we use light weight leather, specially tanned, to give it the additional strength so necessary in an athletic shoe. Furthermore, when we say a shoe is "bench made," it is really made throughout by hand by a shoemaker at a bench in our factory. The plates on all our shoes are put on carefully by hand.
