NOTICE TO DEANS

There will be a meeting of the Administrative Committee of the Senate in the office of the President at 10:30 Wednesday, March 21st.

CONVOCATION

There will be no all-University convocation this week, Thursday, March 22.

WINTER QUARTER FINAL REPORTS

All members of the instructional staff are reminded that under the regulation of the University Senate, final reports for the Winter Quarter are due in the Registrar's Office not later than 8:30 o'clock Monday morning, March 26th. The Registrar's Office is planning to make every effort to have all final grades for the Winter Quarter recorded before the Spring Quarter opens and without interfering with the Spring Quarter registration procedure. This will make it possible to give complete and accurate information to such faculty committees, advisers, and administrative officers as request such information, and permit of more prompt reports on standings to students. It will be possible to do this if instructors with examinations on Tuesday and Wednesday, March 20th and 21st, will file their reports before the 26th. It is requested that reports on such classes be submitted by March 24th or earlier if possible.

The co-operation of each member of the teaching staff is solicited.

Blank forms for reports may be obtained from the offices of heads of departments.

R. M. West, Registrar

WINTER QUARTER REPORTS OF DELINQUENCIES

Winter Quarter delinquent reports will be sent out by the Registrar's Office before April 3, 1923. In sending out these reports the addresses appearing on Winter Quarter registration blanks will be used. Students for whom only one address is given (in the Twin Cities) will receive reports by U. S. Mail. All others will be delivered through the University Post Office. Students are held responsible for reporting changes of address to Window 10, Registrar's Office, before the close of this quarter.

All students who receive delinquencies in Winter Quarter work, which make it necessary for them to change their registration for Spring Quarter, must make such change on the dates announced for the college in which they are enrolled, in order to avoid the customary penalty.

R. M. West, Registrar

SMALL POX

During the past few weeks several University students have contracted small pox. The prevalence of this disease, against which anyone may be protected by vaccination, is a disgrace in any intelligent and educated community. None of the students who developed this disease had ever been vaccinated. Before they were isolated they unquestionably

exposed others in the student body; so, at this time, every student who has not been successfully vaccinated within five years is urged to come at once to the Students' Health Service for vaccination.

Women Students who have swimming lockers should return their keys to the Office, or have them renewed at their earliest convenience.

SPRING QUARTER FEES

1. Spring Quarter fee statements have been mailed to all students now registered at the University. March 24 is the last date on which payment will be accepted without penalty. The penalty for late payment is \$2.00 until April 4, and on that date increases at the rate of \$1.00 per day until fees are paid. Students who must write home for money or make loans are urged to complete such arrangements within the specified time.

2. Fees may be paid in person at the Bursar's Window, or by mail. If by mail, the return envelope received with fee statement should be used. The Bursar's Office is open each week day from 8:00 a.m. to 12 m. and 1:00 to 5:00 p.m., except Saturdays. On Saturdays the office closes at noon. Remittances made after Saturday noon, March 24, should be by mail.

3. All checks, drafts and money orders should be made payable to The University of Minnesota, and should be accompanied by all three sections of the fee statement.

4. Remittances must be for the exact amount of the fee statement. The Bursar cannot accept checks, drafts or money orders for amounts in excess of the fee statement. Insufficient remittances will be returned to the student at his own risk. The student's registration will remain incomplete until his fees are paid in full.

5. Failure to receive a fee statement cannot be accepted as sufficient reason for late payment or non-payment of fees. Any student who does not receive a fee statement in his University post-office box within a reasonable time may secure a duplicate fee statement at the Registrar's Office. Students whose work takes them from the campus must inform the Registrar's Office promptly of change of address.

6. Students using "War Service" tuition, trainees of the U. S. Veterans' Bureau, of the State Division of Re-Education, Foreign Government students, and beneficiaries of the scholarship funds of miscellaneous war-time agencies must secure the written approval of the Assistant Registrar on their fee statements and present them to the Bursar within the above time limit in order to avoid penalty for late payment.
