ed to send a delegate to the discussions which will consider among Belgian Geologist Among the colleges which are Studies U Research

European scientists in occupied territory had no chance to keep up with American research during the war. One of those scientists, Rene Tavernier, professor of physical geography at the University of Ghent, Belgium, is now on campus gathering material which will help bring Belgian geologists up to date.

Tavernier has traveled through most of the United States visiting various universities and gathering material. He will remain here for several more days.

During the first part of the occupation of Belgium, Tavernier stayed on in Ghent university. In March of 1943, however, he was forced by the Germans to give up his job, "Because of my anti-German activities I was called a 'communist' and had to leave the University,"

After that he started his underground activities in earnest. He

reviewer, and other expenses of the International Affairs conference were raised by blood donations by members of the conference committee, it was announced yesterday.

Fadiman's comment on the committee's method of raising funds for his transportation here for the conference Thursday and Friday was a succinct "how horrible." Fadiman will not charge the group anything for his services as moderator of the forums.

The conference is sponsored by the American Veterans committee, United World Federalists and YWCA. "The groups were out of money so we had to do something," Noah Rosenbloom, public rela-tions chairman of AVC, declared.

Committee members who donated blood are Rosenbloom, Warren Dahlstrom, chairman of the forums committee; Willard Boyd, treasurer of the conference committee; Tom Kelly, Arts sophomore; Philip Warner, UWF public relations chairman; Duaine Bonham, Business junior.

Plans completed so far call for a Convocation Thursday, a forum "Will the Truman Doctrine Stop the Spread of Communism" at 4 p.m. Friday in the Union men's lounge, and a forum on UNESCO at 2 p.m. Friday in 325-327 Union.

George Anderson, assistant professor of history; Mary Shaw, associate professor of philosophy; Gideon Seymour, managing editor of the Minneapolis Star will discuss the first topic.

Helen Parker Mudgett, member of the YWCA advisory board; Dr. Theodore G. Brameld, professor of educational philosophy; Dr. Reginald Lang of Carlton university; Martin Rosen, assistant research director of the International Fund for Reconstruction and Development will discuss

English Nurse Lauds U.S. Instruction

Practical nursing experience is emphasized in the nursing schools of England, Miss Gladys Hillyers, president of the Royal College of DEBATERS EXCUSED FROM CLASSES Nurses, London, said yesterday.

"None of our schools are connected with universities," she said, "but we have class work along with training as you do."

Miss Hillyers is here to observe the clinical nursing program. It is one of the few offered in this country.

"The setup for postgraduate instruction is most interesting," she said, "I hope to learn about it and use it in England."

During the war, Miss Hillyers was matron at St. Thomas hospital, London where Florence Nightingale founded a school of nursing.

"Everything was moved underground when the war started, and the nurses worked under many handicaps," she said.

This is Miss Hillyer's first trip to this country in 15 years. She is guest of Miss Katharine Densford, director of the School of

AMENDED LETTERS OF ELIGIBILITY
A recent Veterans Administration ruling calls for amended certificates of eligibility for all students enrolled under Public Law 346 (GI Bill) who may be receiving a baccalaureate degree at the close of any quarter and who may expect to continue advanced training either in the Graduate School or in any other college. Students receiving a baccalaureate degree who are now in Dentistry, Medicine, and Law, and whose objective is actually an advanced degree in their respective college are excepted from this ruling. All other veterans must fill out form 1908 signifying interruption of training and apply immediately for a new letter of eligibility entitling them to subsistence, tuition, and supplies in the advanced training for which they desire to enroll.

Veterans enrolled on the main campus should clear this matter through the Bureau of Veterans' Affairs, Shevlin hall. Students enrolled in the College of Agriculture, Forestry, and Home Economics should clear through the Farm Campus office of the Bureau of Veterans' Affairs, 207 Administration Building, University Farm.

Admissions, Registration, etc. ADVANCE REGISTRATION FOR SUMMER QUARTER, 1947

All students in the following schools and colleges should register on the dates listed below for both terms of the summer quarter. Fees for II term must be paid by June 17. II term fees will be due July

by June 17. II term fees will be due July 28.

B ecause of the pressure of students from all colleges wishing to take SLA courses, SLA tally reservation slips have been distributed among the colleges and may be procured as explained below. This system insures that all students will receive equitable treatment and the right to tally in the order in which they apply for material.

Class size control will be maintained by use of IBM cards for courses in Agriculture, Forestry and Home Economics, Business Administration, Education, General College, and Science, Literature and Arts. Students will obtain IBM course cards at the tally desk, enter their frames on each IBM course card and turn in the cards at the tally desk from which they were obtained. The tally clerk will stamp the registration blank tallied upon receipt of IBM cards.

Class size control for courses in other

Class size control for courses in other colleges will be maintained by the usual

Country Gridders in Revenge Game Today

The country boys will be out for revenge this afternoon when they tangle with the 76's. Twin City gang in the third intrasquad practice grid game of the spring season in Mem-

Nothing more than their pride was hurt in last week's 12-0 defeat at the hands of the city slickers, Les Bolstad. "The strong winds who, collectively, looked about as sharp as a gang of fraternity boys after an all-night spree, but the held some of the scores down, esoutstate gridders are promising a rough time for their city grid brethern today. It isn't likely that their blocking and tackling will resemble hay-tossing antics this time.

Indications are that the socking will be harder on both sides this afternoon. Wholesale promotions and demotions followed the first Twin City-Outstate fiasco and Bernie Bierman has been pushing his squad

Originally, a game between gridders entered in SLA and General college and squad members in other schools was scheduled for today, but Bierman ordered replaying of last week's game which, he informed

his squad, "had a bad odor." He also warned that inability to play well this spring would eliminate the possibility of winning football next "It is time to snap into it," he

Quarter Looms as Top said. **Event in Iowa Dual**

This afternoon's quarter-mile dash looms as the highlight of the Gopher-Iowa State track dual. Minnesota is favored to walk off with the team title but the two furlong is ticketed as a toss-up.

The Cyclones will send John Alexander, former Big Six 440 king,

to take off with the Gophers' host of good quarter-milers.

Last year Alexander outsped his Gopher opponents but in 1945 Lee Hofacre, then running for Drake in a triangular with the Staters and Minnesota, beat Alexander to the tape.

Augustana Here Today

By Hy Hoffman

Ken Boyum, veteran Gopher letterman, will be the number one when the Brainmen play host to the Augustana net team at 2 p.m.

John Dunnigan, Bob Herman and corps in many Gopher years. Brad Pitney will carry the Maroon and Gold colors against the South Dakota invaders. This is the team voted by the A squad themselves to represent Minnesota in its first match.

Four singles and two doubles matches will be played today, Brain said.

Gunnar and Boyum will be the

men will match backhands and for the coming Engineers dance at net wizardry with the Iowa State the University. The dance comteam that meets Augustana today of providing a baby sitter service will oppose the corn-state rivals. for the event.

Brothers Set Golfing Pace

So far this season two sub-par golf rounds have been turned in at the University course and both of them by fellows with the same last name—Waryan.

Last week Capt. Bill Waryan posted the first score in the Twin Cities under 70. He had a 69. Yesterday, with a putter that literally burned up the greens, Don Waryan equalled brother Bill's score with

This 18 hole total of Don's won him the Frank McCormick Medal. It also put him in the lead of the varsity golf candidates on the first lap of the final 54 holes before six men are selected to represent the Gophers against Iowa Sate Monday.

Sharing second place in yesterday's scoring were Bib Higgins and Engelson with 74's. John Rak, Bud Kalina and Don Swenson were tied for third with 75's. Bill

Waryan, Tom Jorde, Merrill Yeomans, and Pete Vandenover had

pecially the earlier rounds, but tosent the true test."

Other scores were as follows:

	George Klouda
	Ron Saxon
	Bob Harris
1	Steve Tracy
1	Don Holick
1	Don R. Nelson
1	Bill Hickey
	Jerry Milner
	Jerry Milner
