MORE DOPES

A Few More Contemplations in Regard to the Great Game

Less than one week remains before the Gophers and the Wolverines settle forever the championship of the West for the season of 1902. The question is whether the Maroon and Old Gold or the Maize and Blue shall reign supreme on Turkey day.

No prophesy as to the result of the game can be made. Comparative scores are worse than useless and opinions of critics differ as to whether the "coming" Gophers will develop to a degree sufficient to defeat Michigan.

In the game with Wisconsin Minnesota's team wore out the Badger's line by the tremendous pounding of their heavy backs, so that at the end of the game the Badgers were completely exhausted while the Gophers were just warming up. Minnesota practically doubled Michigan's score against the Badgers and although the Gophers last touchdown was made on a fluke, it stands to reason that a team which can perform that feat by any means will have an excellent chance to carry off the championship honors next Thursday.

In case the defense of the two teams should prove equal Minnesota can hold her own with comparative ease in a kicking contest. The excellent work of Knowlton last Saturday easily places him in the front class, ranking with Sweely of Michigan; Koman of Harvard, and scarcely excelled by DeWitt. With Rogers and Grey at ends to hold the ground gained by Knowlton's punts Minnesota is still on par with the Wolverines.

During the remainder of the time before the game the Gophers will undoubtedly do much to strengthen their defense to prepare for the tricks of Yost. It was a noticeable fact that in the Illinois game long gains were twice made on the antiquated fake kick. But by the time our team reaches Michigan they should be able to annihilate every trick play tried by Yost's proteges.

If one can judge from the way bets are being made Minnesota's chances are still very good. Many people down town are wagering 7 to 5 on Minnesota and while a few days ago Michiganders even money went begging, they are now clamoring for odds.

Considering the contest in an impartial light there is no reason why the Gophers should fear the Wolverines.

Meeting of Mining Society

This afternoon at 4 P. M. in Dr. Hall's room Mr. Geo. Pratt, M. E. '98, will speak on "Mining in Peru," and as he spent considerable time there the lecture will no doubt be worth going far to hear. Two years ago Mr. Pratt gave a similar lecture and it was a success in every way, being one of the best things heard by the Society that year. Mr. E. P. McCarty, M. E., will also speak his subject being, "A New Method in Copper and Iron Prospecting." Both the speaker and the subject cannot fail but to make it a most instructive lecture.

Every miner is expected to be present and all others interested in mining are cordially invited.

A Texas Steer is making a great hit at the Lyceum this week.

A STAR TEAM VS. A TEAM OF STARS

Varsity to Play College Eleven To-Morrow. Dr. Williams, Harding, Heffelfinger, Dobie, Mueller, Belden and Walker to Play

The greatest and most spectacular game of the season will be played on Northrop Field, tomorrow afternoon at two o'clock. It will be the last time our team will appear on the home grounds this season, and it is eminently proper that this last game should be a contest between the Varsity and College teams. So that we can do every honor to those who have so nobly sustained the reputation of the Maroon and Gold. It will also be the last time that we will ever see "Johnnie" Flynn, "Germany" Schacht, or "Dady" Knowlton upon Northrop Field as members of the Varsity team. These old stars who have done so much for Minnesota, have completed their four years and are no longer eligible to play on a Varsity team.

In addition to the fact that this is the last chance we will have of seeing these men play there will be many other attractions and specialties introduced that will tend to make the game the most interesting of the season. Among these will be Dr. Williams who has consented to again don his old moleskins

and endeavour for a few minutes to show the youngsters how the game used to be played in the good old days.

"Pudge" Heffelfinger will also get into the game for a few minutes and the following alumni, whose names are household words to every student, will attempt to stop the Varsity from making too many scores.

George Mueller, Gilmore Dobie, Prof. Harding, the famous guard of the early nineties, George Belden, George Cole, and Willis Walker.

These men in their day were stars of the first magnitude and can be depended upon not only to put up a first class article of ball but to make the Varsity hustle to get through them.

Everybody should turn out and see this game. The sale of tickets has been put in the hands of the football squad and the receipts will be used by them for a popular purpose to be made known later.

Come and say good-by to the team and farewell to Knowlton, Flynn, Smith and Schacht.

BULLETIN OF GAME

The Daily and Minneapolis Journal to Present It at the Exposition

Under the auspices of the Minneapolis Journal and the Minnesota Daily the best and most complete Football bulletin ever given in the west, will be presented Thanksgiving afternoon at the Exposition Building. The old system which has been in vogue for so many years will be discarded and a new scheme substituted which is far ahead of any system heretofore used. And it will allow the crowd to see the game played in all its finer details, so that no trouble will be experienced in following the game.

This is not meant to tempt anyone from going to Michigan, but it is for those who cannot go. The proceeds will be divided between the kindergarten association and some university interest. A nominal admission fee of 25 cents will be charged. Reserved seats 35 cents. Full and complete announcements will appear later in the Daily and in the Journal.

Alpha Delt's 11-D. K. E. O

Alpha Delta Phi defeated D. K. E. in an intensely exciting game yesterday by a score of 11 to 0. The feature of the contest was the drop kick of Robinson. Willis made the touchdown as the result of a fumble. Other features were the punting of the Alpha Delta Phi quarter back and the fake kicks of D. K. E. The Alpha Delt's had the best of the contest at every stage of the game. The officials were Don Cameron and "Sig" Harris.

NOT DECIDED

The row that has been occasioned by the transfer of the Michigan game from Detroit to Ann Arbor has not as yet been settled.

Manager Luby returned yesterday and he still adheres to his claim that Ann Arbor and not Detroit is the best place to hold the contest.

Bennett Park he claims cannot accommodate the crowd, and besides this, the seats are unsafe. While Ferry Field can be made to hold 14,000 people. The final decision rests with the Athletic Board and it is thought they will favor Detroit. Despatches received from Ann Arbor and Detroit seem to indicate that the strenuous objections being made are having their effect. Yesterday the Michigan Athletic Board went to Detroit to inspect the field there but came to no definite conclusion.

As yet the whole matter is up in the air but it will no doubt be decided in the course of a day or two. University people are of the opinion that Detroit is the place to play. Visions of Madison and Iowa City and the accommodations there are mainly responsible for this sentiment.

Rates to Michigan

There have been many conflicting rumors as to the rate that has been secured to Detroit. Some string fiend had it around this morning that the Great Western would take all comers at \$6.00 per head. This is unfounded, as the officials of the road do not know anything about it.

President Thelen of the Rooters club has obtained a rate of \$8.00 which is a certainty. The train will leave here next Wednesday at 9:00 A. M. and arrive at Detroit 7 A. M. Thursday. Returning, leave Detroit at 10:00 P. M. the same day.

Leave your name with Mr. Thelen, Box 641, or at the Cigar Store.

BAND INFORMAL

To-Night in the Armory. Team Will Be There

The great University band will give an informal at the Armory tonight. The football boys will be present in force and will help to make the occasion an enjoyable one. It has been planned to make this informal a sort of a celebration of last Saturday's victory. Everybody is expected to be present and you will miss the event of the season if you do not attend.

The receipts will go towards defraying the hotel expenses of the Band while they are at Detroit. Turn out and help the boys. Send the band to Michigan and we will win the game. At the same time come and enjoy yourself.

Still Protesting Vigorously

A meeting of the Athletic Board of Control was held yesterday afternoon and a telegram sent to the Ann Arbor authorities protesting against transferring the game from Detroit to Ann Arbor asking that the agreement to play at Detroit be adhered to.

While the contract reads that the game be played at Detroit or Ann Arbor the fact of the matter is that Manager Baird definitely agreed that the game be played at Detroit and asked that the Ann Arbor clause be put in merely to prevent the Detroit people from holding the associations up on the rent of the field.

The contracts for the Detroit tickets had been let and the game had been advertised to be played at Detroit when the defeat of the Wisconsin team frightened the Michigan men and they decided that they wanted the added advantage of the home field.

The Detroit people are making a very vigorous howl and it is hoped that the game may yet be played there.

There will be a meeting of the candidates for the girls basket ball teams for the election of captains Saturday morning at the fourth hour in Armory.

Dramatic Club

An important meeting of the Dramatic club was held yesterday afternoon for the purpose of selecting a suitable play. Two plays are at present under consideration, "Trelawney of the Hills," a comedietta by A. U. Pinero, and "Liberty Hall," a domestic play by the author of "Lord and Lady Algy." Mr. Holt of the Johnson school of Oratory was present at the meeting and gave a brief outline of each play. No definite action was taken however, and as both are exceptionally good, there will doubtless be some difficulty in reaching a decision. At present "Trelawney of the Hills," seems to be the more popular one. The question of the place in which to present the play was also brought up. These plays have hitherto been given at the Lyceum theatre, but since they are debarred from there this year, they will be obliged to present it either in the auditorium of one of the four high schools or at Century Hall. This question was not settled however. A meeting of the club will be held today at the same hour and this will give the members an opportunity to further consider the business under way.

O. G. F. Markhus, '97, was seen about the campus yesterday.

Are They Scared?

It seems to be up to Michigan to change the Thanksgiving game from Ann Arbor to Detroit. Since Minnesota defeated Wisconsin by such a decisive score the athletic authorities at Michigan have seemed to be unduly solicitous that the Minnesota game should be played at Ann Arbor. They do not seem to consider the fact that this action would probably cause them a loss of several thousand dollars, nor do they pay any attention to the objections raised by the Detroit Alumni.

The fact of the matter is Michigan is badly scared and is taking every precaution to insure a victory.

As the game was originally arranged to take place at Detroit and as Dr. Williams refuses to play at any other place, it seems that all Minnesota will have to do is to appear at Bennett Park on Thanksgiving Day and say, "Here we are as agreed, bring forth your Michigan braves." Then, if they do not show up, we can fairly ask the question, "Where is Michigan?", and claim the championship of the West by default.

We Want a Holiday

Although the chief topic of conversation is the Thanksgiving game, yet there are many who are wondering whether the faculty of the College of S., L. and A. will grant a vacation on Friday and Saturday following Thanksgiving. Many good and valid reasons for such a holiday were given in yesterday's Daily. Since yesterday the editor has thought of a few more and being unwilling to let the matter drop at this early stage of its development, so we append our newly discovered arguments hoping that they may be effective.

First, before the semester system was established such a holiday was given each year. Last year it was discontinued. Why was this done? is the natural question.

Second, the school of law and the medical and dental schools have announced such a holiday for the present season. Why should the Academics be compelled to endure the untold tortures of the class room on those days? This same thing happened last year. The Academics had school while the laws and medics went home and demolished the family turkey.

Third, many will go to Michigan and many will go home at all events school or no school. What is the use of holding classes with only a small percentage of students present. And marking those zero who have gone home to partake of the Thanksgiving feast, or who

have gone to Detroit to cheer Minnesota on to victory. This is not fair.

Fourth, Thanksgiving is a national holiday. It is the occasion of family reunions. By refusing to close school hundreds of students will be deprived of this pleasure, and hundreds of families throughout the state will lose half the pleasure of this great event by having some one of their family missing. Let the faculty investigate this matter and let them determine whether it is fair to allow one half the University to go home and keep the other half here.

Farewell

Tomorrow we bid adieu to the team and we feel confident that they will return to Minneapolis champions of the West. But we must also bid a last farewell to Warren Knowlton, our wonderful full-back, and captain of last year's team, to Captain "Johnnie" Flynn, star guard of the west, and to "Germany" Schacht, the man who put Stahl of Illinois out of business. These men will never again appear upon Northrop Field as representatives of the Maroon and Gold; this being their last year in school. In losing these men our team suffers a loss which it can ill sustain. Knowlton was All Western Fullback in 1900, and Flynn All Western Guard. Schacht has only played two years but as he graduates this year we cannot expect him back. But we are certain that they will not desert their Alma Mater, but will return when they can and give our future teams a few pointers on the game.

Officials Chosen

The somewhat dirty play of Michigan in the Chicago game has made the selection of officials for the Thanksgiving game a matter of unusual interest and importance.

The matter has been given very close attention and the two men who have been chosen are among the best known officials in the country. They are Louis Hinkey, the famous Yale end, referee, and Laurie Bliss also of Yale, umpire. With these men officiating there is little room for fear that anything of a questionable nature will escape notice.

The total score run up by the Varsity this season is 364 points to its opponents 11.

THE REGAL TEST

Ninety per-cent. of all \$3.50 shoes have common "Hemlock" or "Union" soles, disguised as Oak, under black finish. The difference between the wear of such soles, and genuine Oak Soles, is considerably more than a dollar. The difference in the cost goes into the Manufacturer's profit. These "Yankee Oak" substitutes are not only brittle and short lived, but as stiff as wood, heavy, and water absorbing. Genuine live Oak sole-leather—tanned by the good old fashioned slow process—is tough as wire, light as fibre, and wears to the thinness of a wafer without breaking through. Used in every pair of Regal Shoes, and its presence proven before you purchase, through our shoe-section test shown above. Regals are \$6.00 shoes for \$3.50, through Tannery to Consumer methods.

Bryan Prize

The subject for the Bryan prize essay was announced yesterday. It is "Resolved that the existing tariff should be revised at once and the duties adjusted in such manner as to prevent monopolization by the trusts." This prize is given for the encouragement of studies in political science and is open to all students of the academic department.

It was won last year by Mr. Webb in a close contest. Essays must be handed to the professor of political science before May 10. For further particulars see Dr. Folwell.

The debating board has been requested to postpone the high school preliminaries one week and the request will be granted. These preliminaries will now occur between the 4th Friday in October and the 4th Friday in January.

The inter-district debates will be between the 4th Friday in February and the 4th Friday in March, leaving three weeks between the last inter-district and the final contest. The East Side High School has decided to go into the contest. St. Cloud will not enter.

Team Takes to the Woods.

While everyone is making guesses and speculations as to what may happen at Detroit (?) the team is quietly plugging away at practice under the eyes of Dr. Williams and the Alumni coaches. Last night the team was given a run to the country and practice was held somewhere in the outskirts of the city. The report is that Minnesota is brushing up the finer points of play and showing much improvement on the offense. The men generally believe that they have a first rate show for the game but realize that they must play the game of their lives.

The city enthusiasts who had no good words for Minnesota until after the Wisconsin game have now swung just as far in the other direction and are betting on Minnesota with as little judgment as they have shown heretofore in betting against her.

Michigan's great team which has not lost a game for two years and has made record breaking scores in nearly every game, with her great place kicker and numbedless trick plays should be a strong favorite in the betting and yet it is reported that these men are offering even money and odds on Minnesota.

Alumni Opine

Last night's Tribune contained the opinions of numerous alumni footballists on Minnesota's chances against Michigan.

Charles VanCampen says that if Minnesota can go into the game with the same spirit that she went into the game last Saturday and shows the improvement she should show in the next week she should win.

Would You like to be Doubly Insured? Against life or death, either. An Endowment Policy in The Mutual Benefit will accomplish it.

Do you desire the protection of Life Insurance for your loved ones? Safe, solid and secure. At a cost so low as to astonish you. An Endowment Policy in The Mutual Benefit will secure it.

Willis Walker picks Minnesota to win on the ground that better form will enable the men to play even harder than in the Wisconsin game.

Gorge Cole is not so confident as he says he believes that the defense of the two teams is about equal while Michigan's offense he argues, from a comparison of her game and ours against Wisconsin, is better than ours.

George Belden is not so optimistic but says: "If our boys will play the best football the know how, as hard as they know how, and keep their eye on the ball and the man with the ball it will give Minnesota an even chance. I think the Minnesota back field will have to use itself up more."

"Sport" Leary sees no reason why we should not win.

Pudge Heffelfinger thinks the Ann Arbor grounds will give the Wolverines an advantage and says "There's some trick about it. You can bet on that."

At Other Colleges

The following has been printed in every American college publication except the Daily, and many more like it. We feel that it is time for the Gophers to get in line and suffer with their fellow students.

Went to see the football game, Thought that I could play the same, So in haste I joined the eleven,

I am writing this from heaven, Shevlin, of Minneapolis will play right end on the Yale team in the Harvard game next Saturday.

Michigan's great team won the game Saturday by its wonderful head work and versatility. On so called straight football they could not beat us.
