*Graduation rates reported to the national database (IPEDS) have a two-year lag and count only students who matriculated at and graduated from the same campus. The rates presented above will differ from those included in the Progress Card graduation rates, which reports graduation rates for the 2019 (6yr) and 2021 cohorts (4yr), based on students graduating from any campus in the University of Minnesota system, regardless of transfer activity. Using this methodology, the Crookston campus would have a 39% 4yr graduation rate and a 53% 6yr graduation rate for the class matriculating in 2018.*

# Duluth Campus at a Glance

The University of Minnesota Duluth is a highly ranked medium-sized regional university with a strong emphasis on the environment and sustainability, and a global reputation for natural resources and freshwater research.
