GLBT Advisory Commission

What is the UMD GLBT Advisory Commission?

The UMD GLBT Advisory Commission is a campus-wide organization comprised of faculty, staff, students, and community members

The Commission is concerned with establishing a supportive environment on the campus for lesbian, gay, bisexual, and transgendered individuals and their allies. The Commission serves in an advisory and supportive capacity to the GLBT Services Director, and works to promote understanding and education about GLBT people and issues.

Do you have a concern about campus wide issues affecting GLBT people?
