April 26, 1962

AREA TESTS FOR MAGNA AND SUMMA CUM LAUDE GRADUATION HONORS-----Approximately 15 seniors will be taking Area Tests for Magna and Summa graduation honors Tuesday morning, May 1, from 8 a.m. to 12:30 p.m. These students are excused from all class work and laboratory assignments during those hours. (T. W. Chamberlin)

THE CHEMISTRY DEPARTMENT-----will play host to Dr. Jack G. Calvert, Professor of Chemistry at Ohio State University, who will visit here under the auspices of the Division of Chemical Education of the American Chemical Society. Dr. Calvert, who is an authority in the area of photochemistry, will address a departmental seminar on his studies of light effects on chemical reactions at 4:30 p.m. on Monday, April 30, in Room 251 Science Building, and a meeting of the Lake Superior Section of the ACS at 8 p.m. the same day in Room 150 Science Building.

In addition, everyone interested is urged to attend and to encourage student attendance at a general convocation on the topic of "Trapping Solar Energy" to be held at 10:30 a.m. on Tuesday, May 1, in the Science Auditorium.

RECOGNITION DINNER-----A Recognition Dinner honoring Superintendent Alvin T. Stolen will be held on Thursday, May 17, at 6:30 p.m. at the Hotel Duluth. Tickets are \$3.50 per person. Those interested in attending should make reservations immediately with Betty Anneke, Ext. 231.

ELECTION-----Richard O. Sielaff was elected Vice President of the Midwest Economic Society at the recent convention in Omaha. Membership includes about 1,700 college teachers of economics and business.

GEO TIMES RECOGNITION-----The April issue of Geo Times, published by the American Geological Institute, has a cover sketch of Professor Robert L. Heller, Chairman of the Department of Geology at UMD. Specific recognition is given in the issue to Dr. Heller for his great contribution to geological education as Project Director of the 1959 American Geological Institute Duluth Conference and Editor of the Geology and Earth Sciences Sourcebook for elementary and secondary teachers which will be published this month by Holt, Rinehart, and Winston. According to Geo Times, the Sourcebook, financed by the National Science Foundation, will be the most important single teaching aid available to teachers introducing earth science into school science programs across the nation.

CONSULTANT-----Robert F. Pierce has been named Consultant in Speech Pathology to the Dental-Facial Clinics held bi-monthly at Miller Memorial Hospital under the auspices of the Medical Division, State Department of Welfare.

SCHOLARSHIP GRANT-----Robert W. Bridges, Business Manager, has been awarded a grant from the Carnegie Corporation of New York to cover expenses for attendance at the July 1962 Short Course in College Business Management at the Municipal University of Omaha.

STEREO, ET CETERA-----For the balance of the spring quarter and possibly through the summer sessions, faculty and staff are invited to listen to operas, musical comedies, poetry, jazz, and calypso from 3:30 to 4:30 p.m. in the Music Lounge. (E. O. Siggelkow)

AMERICAN RED CROSS-----John J. Jurkovich reports that contributions reached a total of \$637.50, including pledges, as compared to \$623.50 for last year.

CONVALESCING-----Robert W. Bridges is convalescing at Northwestern Hospital, Thief River Falls, Minnesota, following an emergency appendectomy last Saturday.

NEW APPOINTEE-----Eric K. Clarke, Jr., Engineering Assistant, Duluth Plant Services.

PUBLICATIONS-----April 1962 editions of Ceramics Monthly and Craft Horizons carry articles by Glenn C. Nelson,--titles are: "Scandinavian Potters" and "Stalhane of Sweden," respectively.
