COUNCIL APPROVES PLAN OF AWARDING "M'S TO WOMEN"

All-university Student Body Agrees With Principle of Rewarding Feminine Athletes.

Members Take Exceptions to Details of Proposed Change. Would be More Exacting.

The principle involved in the awarding of "M's" to girls excelling in athletic sports received the unanimous approval of the All-university Student Council at its meeting on Wednesday of this week. The council took important exceptions, however, to the recommendations of the Women's Athletic Association regarding what athletic activity should constitute the basis for the awarding of the school insignia. The Council took the stand that the rules governing the winning of a letter should be less lax and more exacting in their nature. It was thought that letters should only be awarded in those instances where actual competition for places on winning teams had occurred, and that mere participation in women's sports should not bring the coveted letter.

Y. M. C. A. HOLDS BANQUET

One Hundred and Twenty-five Attend Annual Get-together and Banquet at Dayton's.

About one hundred and twenty-five men last night attended the twenty-sixth annual banquet of the Young Men's Christian Association of the university held in the Dayton Tea Rooms. The banquet, which was in charge of Earle Balch, '15, chairman of the Y. M. C. A. social committee, was served in five courses and was followed by an elaborate program of music and speeches.

President George E. Vincent, as toastmaster, made the opening address of the evening. He was followed by Mr. Fred B. Snyder, Dr. A. E. Jenks, Dr. James E. Freeman, Dean W. R. Vance, and Dr. J. W. Powell. The musical numbers were supplied by Edward O. Ellison, who rendered two cornet solos, and the University Quartet composed of I. O. Grindeland, Earle Balch, Ted Anderson, and Miles McNally.

MONSTER CROWD EXPECTED AT PAN-HELLENIC INFORMAL

Spacious National Guard Armory Is Needed to House Annual Interfraternity Party Jan. 22.

Program Committee. Provides for Two Hundred Couples. Tickets On Sale.

Two hundred couples are expected at the annual Pan-Hellenic informal which takes place in the National Guard Armory next Wednesday evening, according to John Jensvold who is in charge of the arrangements. Tickets for the party will be ready today and fraternity reservations may be made until Monday night.

The National Guard armory was chosen because of the greater facilities offered for the increased attendance that is expected. The Masonic Temple was engaged for the date chosen for the Greek informal, and the armory floor seemed best fitted to accommodate the four hundred or more dancers.

A program of eighteen dances will be played. The programs and decorations will carry out the interfraternal idea.

JUDSON IN CHAPEL TODAY

Chicago President Here to Organize Alumni Will Address Students At Noon.

Chapel assembly at noon today will be addressed by Harry Pratt Judson, president of the University of Chicago. He will be introduced by President George E. Vincent. Mr. Judson's subject has not yet been announced.

The Chicago school head is a national figure and is well-known to many Minnesota men and women. He was at one time a member of the faculty of this institution.

President Judson is in the city to address the banquet at which the former alumni of the University of Chicago who reside in Minnesota will inaugurate a movement for an all-state alumni organization.

GOPHER NEARS PRESS TIME

Junior Annual, Still Incomplete, Goes to Press February 15. Pictures Sought.

The 1914 Gopher will go to press February 15th according to the present plans of the Board of the junior annual. Although this leaves scarcely a month in which to complete the copy, it will be necessary to rush the work in the interests of getting the book out on time.

Good jokes, pictures and limericks are still in demand although there is at present a lively race for the five dollar prize offered by the Feature department for the best lot of jokes, witticisms and pictures to be contributed by any individual.

The program tonight includes many interesting and instructive pictures of the New York aqueduct, water in motion, and the analytic forms of a single drop of water.

DICK TALKS AT FARM SCHOOL

Minneapolis Pastor Addresses Students on Subject of "Subliminal Self" in Chapel.

Reverend S. M. Dick from the First Congregational church of Minneapolis, gave a short but interesting talk on "The Subliminal Self," in the Farm School chapel Thursday noon. Mr. Dick said our subliminal or subconscious self is "our inner man, our better nature and our dual personality. "The subconscious mind has power over matter and the conscious mind has not. It enters into everything, is a tremendous factor in business and makes or unmakes men."

"We are ready for them," was Dr. L. J. Cooke's, Minnesota's veteran basket ball coach, brief comment on the basket ball game tonight. The Gopher team has been practicing hard and is in the best of shape. The final touches in training and strengthening of weaknesses have been applied and as a basket ball machine the team is ready. Minnesota is especially strong in the defense this year, both the guards, "Rube" Johnson and Stadsvold being heavy and fast men. The forwards, "Bee" Lawler, and McKeon, lack somewhat in weight, but make up in speed and accuracy in passing and basket shooting, while Capt. Wiperman has the size and speed that very few centers in the conference can meet.

The varsity put in its last practice last night. The Badgers arrived early this morning, and the air of the armory is tense with a spirit of combat. Everyone is awaiting the sound of the whistle that will open Minnesota's first conference game of the season in basket ball, and, what is more important to local students, the most exciting and decisive game of the year in so far as Minnesota is concerned.

Wisconsin Strong Opponent.

Wisconsin has been termed "the only invincible opponent of the Gophers" in the contest for the championship, and just how invincible they are will be seen tonight. The Gophers realize that they will have to fight hard, and are full of determination to win the game. The team has shown up well in practice lately and their floorwork has greatly improved.

SEASON OPENS TONIGHT
 Wisconsin is looked upon as a probable winner in tonight's contest at the university Armory, but in spite of the odds against our light and less experienced five the Varsity will put up a stiff hard fight until the final whistle, and we will hope for the lead in a close score when the game is over. Wisconsin is here with a team of veterans, and with victories over Illinois and Purdue already to her credit. The Cardinal players are just now considered leading contenders for the Conference title, and a victory for Minnesota over the Badgers in her opening game will mean much to us. The Varsity has shown a steady development in each succeeding practice game, and the players are rapidly working off the early season nervousness. Enthusiastic support will be a great help, and should prove a factor in a Minnesota victory, tonight.

"The Rose of Panama" is in three acts, with the scenes laid in the canal zone at the time of a revolution. Contrary to the usual handling of this

theme the president of the republic, having become weary of his office, does his best to aid the insurgents, but is continually frustrated by his loyal supporters. The treatment of this subject is unique and affords ample opportunity for many comical situations. In connection with the brilliant musical score Mr. Cort has organized a company of singers of more than usual ability, the majority of whom appeared in the opera during its metropolitan presentation at Daly's Theatre, New York. —Adv.

Write Ideas For Motion Picture Plays!
YOU can write photo plays and earn \$25. or more weekly
WE WILL SHOW YOU HOW

If you have ideas—if you can *THINK*—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100 and more, for single scenarios, or written ideas.

Nearly all the big film companies, the buyers of photoplays, are located in or near NEW YORK CITY. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our SALES DEPARTMENT has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIES, ETC., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication."

Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25, a low figure,

You will earn \$100. monthly for spare time work. FREE Send your name and address at once for free copy of our illustrated book, "Moving Picture Playwriting."
