

L. B. Kist

DULUTH--Seventeen UMD students in the division of science and mathematics have received special opportunities for graduate study in their chosen fields.

Five have been accepted into the University of Minnesota school of medicine. They are:

Robert F. Avant, son of Mr. and Mrs. James Avant, Chisholm; Spencer H. Robnik, son of Mr. and Mrs. Louis Robnik, Hibbing; Robert L. Schneider, son of Mr. and Mrs. I. J. Schneider, Oklahoma City, Okla.; Barbara E. Burke, daughter of Mr. and Mrs. B. J. Burke, 432 34th avenue east, and David E. Glass, 318 North Third avenue west, Duluth.

Two have been accepted into the U of M school of dentistry. They are Kip B. Jentoft, son of Mr. and Mrs. Clarence Jentoft, 2309 West Ninth street, and Thomas Walsh, 1518 $\frac{1}{2}$ East Superior street.

Five students with double majors in mathematics and physics have been awarded fellowships for graduate study at five American universities. They are:

Daniel Gustafson, son of Mr. and Mrs. Rudolph Gustafson, 1002 West First street, University of Illinois, Urbana, fellowship in physics; Nordin Anderholm, son of Mr. and Mrs. Fritz Anderholm, 5515 London road, Northwestern university, Evanston, Ill., physics; Frederick Stewart, son of Mrs. H. H. Stewart, 5017 Oneida, University of Minnesota, mathematics; Robert Lindahl, son of Mr. and Mrs. Henry W. Lindahl, 3972 Lindahl road, University of Oregon, Eugene, mathematics, and Robert Dufault, son of Mr. and Mrs. A. D. Dufault, 2126 East Fifth street, University of Arizona, Tucson, astronomy.

Of the pre-dentistry and pre-medical students, all are biology majors except Avant and Robnik, who are zoology majors.

Three other zoology majors have received teaching assistantships on other campuses.

They are David Cline, son of Mr. and Mrs. H. Ray Cline, Britt, Montana State college, Bozeman; Donald Underhill, son of Mr. and Mrs. J. K. Underhill, 602 Fifth street south, Virginia, University of Illinois, and Donald Davidson, son of Dr. and Mrs. Emmett Davidson, 2320 Harvard avenue, Duluth, Rutgers university.

A fourth zoology major, Herbert Potswald, son of Mr. and Mrs. H. E. Potswald, 903 East Eighth street, has received a Woodrow Wilson fellowship to study at the University of Washington, Seattle.

Harold Ziebarth, geology major, son of Mr. and Mrs. R. W. Ziebarth, Carlton, has received a graduate assistantship at the University of North Dakota at Grand Forks in the department of zoology.
