John Bunyan's story of Pilgrim's journey from the City of Destruction to the Celestial City has had a tremendous effect upon thousands of lives throughout the world. This immortal classic which has given Christians a new vision of the Lord, and of His loving guidance, still has as powerful an impact today as when it was written 300 years ago.

Four and one-half years in the making, there are well over 60 separate characters and over 100,000 drawings.
