Number 180

GOPHER DAY TO BE ENDED BY ANNUAL DANCE IN ARMORY

Homeliest Man and Most Popular Girl Will be Announced Tonight.

SHIBLEY-SQUIRES ORCHESTRA WILL FURNISH MUSIC

Funds Derived From Ticket Sale Will be Used for Men's Union Building.

The much heralded Gopher Day Dance for the benefit of the Minnesota Union will take place in the Armory tonight. All unnecessary expense in the way of programs, refreshments, decorations etc. have been avoided in order to swell the amount to go to the Union. Music will be furnished by the Shibley-Squires orchestra of seven pieces.

Cass O'Gordon has entered the Homeliest Man Contest and says he will give the other candidates a hard run for the cold cream. The results of the Most Popular Girl and Homeliest Man Contests will be announced after the tenth dance tonight and the prizes will be awarded. Voting in these contests will continue until 5:30 this afternoon.

The race for homeliest man has brought out numerous competitors, Allen Moore, who has been out of town, was again seen on the campus today and now is said to be well in the lead. Althea Heitman and Florence Swanson are reported as leading in the "most popular girl" contest.

Mr. and Mrs. E. S. Thurston and Mr. and Mrs. E. M. Morgan will chair the event.

Delayed Sophomore Show Will Be Given May 20th

Boxing Match, Playlets, Songs and Dances Will Entertain Sophomores.

"Battling" Blum and "Pugnacious" Plankers Have Signed Agreement for Bout.

The sophomore vaudeville, which was postponed on account of a conflict of dates with the Men's Union benefit dance will be held the twentieth of May.

Last night the representatives of "Battling" Blum and "Pugnacious" Plankers signed the articles of agreement for their sparring match at the vaudeville. The articles call for splitting the gate receipts sixty and forty, and Plankers gets fifty cents besides. The match was nearly held up because Plankers insisted on the fifty cent guarantee for his training expenses. The betting opened strong last (Continued on page 4)

Band Men Honored

Nineteen Members of Cadet Band Are Elected to Roll of Honor.

The following members of the University of Minnesota Cadet Band have been elected to membership to the Roll of Honor; an honorary organization within the Band, membership in which is based on efficiency in band and military work.

F. L. Anderson, M. H. Bishop, G. M. Hicks, Ralph Colby, H. L. Peterson, Osborne Torgerson, O. P. Brewster, L. J. Hetland, M. M. Jalma, N. E. Jones, Nat Lovgren, C. C. Muller, C. L. Pegelow, Jarrold Patraborg, K. Reed, E. M. Thorson, L. E. Vrooman, E. J. Sunby, C. C. Cowin.

Those eligible to honorary membership must have completed at least four semesters faithful service in the band.

FRATERNITIES PLAY BASEBALL

Beta and Theta Delt Are Victors in Yesterday's Games.

Misty weather failed to keep the Greeks from playing their regular schedule of ball yesterday morning. The Betas clashed with the Zeta Psis and succeeded in defeating them by a score of 6 to 0. Smith for the Betas struck out twelve men in the five innings played and received favorable comment from the scout from the Federal League, who has been commissioned to cover these inter-fraternity games. McGilvra acted as the other half of the battery. McChesney and McGary were the Zeta battery.

In the Deke-Theta Delt game the latter came out with the big end of the 10 to 4 score. The extraordinary work of Merrill in center field was the feature of the game.

Deke battery was Burton and Shannon, and Theta Delt was Brown and V. Hauser.

Varsity Nine Loses to St. Thomas Ball Team

Minnesota Loses on Errors By A Score of 13 to 6 in Yesterday's Game.

Hill and Roen Worked on the Mound and Tagland Behind The Bat.

In a game featured by hard hitting and many errors, Doc Cooke's ball tossers again tasted defeat, this time at the hands of St. Thomas yesterday afternoon by a score of 13 to 6. Hill started on the mound for the Varsity, but a combination of St. Thomas's hits and wretched fielding by Minnesota netted four runs and he was replaced by Roen. Roen was also in effective and this coupled with poor support made it a walk away for St. Thomas. The St. Paul boys played consistently, excepting in the fifth inning when they blew up and allowed five Minnesota scores. Tagland supported Hill and Roen behind the bat.

Kappas May Hold Party

Pan-Hellenic Council Issues Statement Permitting Party But Maintaining Charge.

At a meeting of the Pan-Hellenic Council held yesterday, charges against Kappa Kappa Gamma for violation of the council's rushing rules were again considered and the infliction of a penalty discussed. The matter of depriving the society of its final rushing party was considered and voted down, but without absolving the alleged offenders from the charges of irregularity in rushing.

To the Minnesota Daily:

"In the Pan-Hellenic meeting held May 4, 1913 charges of infringement of rules were brought against Kappa Kappa Gamma sorority. Kappa Kappa Gamma admits the truth of this charge, but Pan-Hellenic in view of the fact that that arrangements for Kappa's final rushing party were made and because Pan-Hellenic wishes to be lenient and desires to maintain the dignity of the organization, and to avoid undesirable trouble for the University which publicity and contention would involve, permits Kappa Kappa Gamma to hold her rushing party while not absolving Kappa Kappa Gamma from the violation of Pan-Hellenic's contract."

Signed: Katharine Bright, President. Sybil Bates, Secretary.

The council also took action changing the sorority pledge day from May 16 to May 15 at 6 P. M. on account of conflict with the Senior Class Play.

Annual Gopher Day Witnesses Distribution of 1915 Book To A Big Crowd of Waiting Students

RUSH TO SECURE THE "BEST BOOK EVER" BEGAN AT SEVEN THIS MORNING AND PROMISES TO QUICKLY EXHAUST LIMITED SUPPLY OF BOOKS.

Today the General Topic of Conversation is Artistic Appearance of the 1915 Gopher.

BOOK WAS REVEALED LAST NIGHT AT STAFF PARTY

Efforts of Staff Will Be Culminated Tonight in Annual Gopher Day Dance.

Today is the day! Many expectant students waited in line this morning, and during most of the preceding night, waiting eagerly for a glimpse of the far famed 1915 Gopher, which appeared upon the campus at 7 o'clock sharp, according to schedule.

The rush today for the limited issue which is here promises quickly to exhaust the supply, but more Gophers will be ready at once for the subscribers not so fortunate as to secure their's today. All over the campus the chief topic is the year book of the class of 1915, an annual admitted by critics to be the most artistic appearing anywhere in the country this year. The illustrations and art work

show the hand of an artist and much credit is due to the staff for having brot forth such a well organized and finely written book.

Last night at nine o'clock the features of the volume were for the first time disclosed to the staff as a whole at a party held at the D. U. house. Great was the admiration of the compilers of the book at their own work, seen for the first time in completed form. The evening was pleasantly spent in mutual congratulations—each section editor assuring his fellows that their parts were perfection, but feeling secretly that he had achieved the greatest success. Managing Editor Shadboit, Business Manager Dale, and Editor-in-Chief Robertson were the particular recipients of congratulations on their work, while feature editor Hubachek received his share of honors due to the exceptionally brilliant feature section.

Tonight the celebration of the appearance of this "best Gopher ever" will be concluded by the Gopher Day Dance, a party sure to prove a fit climax for the event.

Girl Swimmers Break Many Records in Meet

Eleanor Olds Took First Place in Girl's Swimming Meet With 37.5 Points.

Meet This Year is a Greater Success Than Last, Both in Enthusiasm and Records.

Yesterday in a meet, featured by the breaking of many local swimming records, Miss Eleanor Olds was declared champion woman swimmer of the Women's Athletic Association. Miss Olds scored a total of 37.5 points. Her next competitor, Miss Jean McGilvra, scored 31.5 points while Miss Alma Haupt finished third with 67.2 points. A silver cup will be awarded to the winner in chapel tomorrow and a bronze medal will be given to the runner-up.

Last year's record of 19.9 seconds for the 20 yard any stroke was lowered to 18.4. The twenty yard side stroke record was lowered from 20.2 seconds to 19.4. Plunge for distance record was increased from 34 feet 8 inches to 35 feet 2 inches. A record of three strokes for the length of the tank was also established.

Inspection Next Tuesday

Cadets Will be Excused from Classes for Annual Inspection by Army Officers.

From now until next Tuesday the Armory will be infested, daily with hundreds of scubbing, polishing cadets for on that day the annual inspection by the War Department will take place. On Tuesday morning at 8:45 the entire cadet corps will assemble on the parade. Immediately upon assembling the band will begin to play and the corps will pass in review before Captain H. L. Lanbach, the inspecting officer. This will be followed by inspection. Following the inspection the companies may be requested to execute whatever manoeuvres Capt. Lanbach calls for.

In the afternoon the corps will be divided into two armies which will oppose each other in a sham battle at Fort Snelling. All cadets are excused from classes on that day.

REV. J. D. JONES IN CHAPEL

Tells in Stirring Address How to Avoid Falling into "Ruts."

At the chapel exercises yesterday, the Rev. J. D. Jones of England told the students in inspiring fashion how they could keep their lives from suffering the calamity of falling into a "rut."

"The constant use of one's imagination," he said, "is the best preventive." One of the best mental stimulants, he believed, is the reading of worth-while books. He urged the students, therefore to take full advantage of the library facilities at their disposal.

Comedy Is Well Received

"Professor's Love Story" is Presented to Large Audience in Princess Theatre Last Evening.

"The Professor's Love Story" as presented last night at the Princess Theatre was a complete success. An excellent attendance showed that the University appreciates the work of this organization. The performance was spirited and the bright situations were very cleverly worked out.

The story of the play was concerned with the adventures of Prof. Goodwillie, who is afflicted with love without being able to diagnose the symptoms. He becomes somewhat deranged and is advised by his physician to take a trip to Scotland. He is accompanied by his sister and Miss White his stenographer, who is object of his affections. The plot is complicated by the appearance of Dowager Lady Gliding and her family, who trail in the wake of the professor, whose love the Dowager is trying to capture. The latter's plans are foiled and the Professor discovers the cause of his peculiar emotions, and in spite of resistance on the part of his sister wins his suit and the play ends happily.

SENIOR CLASS PLAY TO BE GIVEN AT METROPOLITAN

"Miss Minnesota," the Senior class play will be produced at the Metropolitan Theatre on the evening of May 16th. Only one performance will be given as it was impossible to secure the overturn theatre for more than one night.

MEN'S UNION FUND SWELLS RAPIDLY BY SUBSCRIPTIONS

Miss Whitney of Rhetoric Department Has Honor of Making First Subscription.

PRES. VINCENT RENEWS 250 DOLLAR SUBSCRIPTION

Class Meetings Will be Held in the Different Colleges to Arouse Interest.

Miss Whitney of the Rhetoric Department, a woman of the university, was the first person in Minnesota or the United States to come to the support of the men students of the university in their present campaign for funds for a Men's Building. President Vincent was a close second in renewing his former subscription for \$250. Many other faculty members have also signified their intention of renewing their old subscriptions. Numerous other assurances have come in from members of the agricultural college faculty. Among the first was that of Father Jaeger, instructor in Bee Culture.

Among the students, class meetings are being held in all colleges to arouse interest and to swell the subscription lists. The freshmen laws meet this noon and the middle laws tomorrow. Other class presidents are laying plans, and it is expected that all men on the campus will have been seen by the first of the week.

The campaign is being carried on a competitive basis, colleges and classes competing for the largest per capita subscriptions.

Gopher Staff Enlarged By New Appointments

Kenneth Caldwell is Made Editor of the Organization Department.

Staff Representatives For Various College Departments Are Announced.

With the appointment, yesterday, of several prominent sophomores to the staff of the 1916 Gopher, the Board of Managers is rapidly completing the corps of makers of next year's annual. Members of the organization department, one of the most important departments of the Gopher Staff, were elected. Kenneth Caldwell was chosen editor of the department; Lucy How and William Moorhead were appointed assistants. All three are prominent members of the '16 class. Mr. Caldwell is sophomore representative on the All-University Council, an officer of the Triangle Club, and a member of Theta Delta Chi fraternity. Lucy How is a member of Pi Beta Phi sorority, vice president of the sophomore class and an active worker in Y. W. C. A., and William Moorhead is a member of Psi Upsilon fraternity.

Besides appointing the editors of the organization department, the 1916 Board selected the following staff representatives from the various college departments:

- Civil Engineer—Harold L. Peterson.
- Mechanical Engineering—John Murray.
- Electrical Engineering—Daniel R. Crowell.
- Mining Engineering—Archie J. McDermid.
- Chemical Engineering—Horace L. Marr.
- Medicine—B. J. Gallagher.
- School for Nurses—Sara Holm.
- Forestry—Ralph E. Rhoads.
- Domestic Economy—Mildred Kimball.
- Law—Arthur Gow.
- Dentistry—Edwin C. Russell.

CHAPERONES.

The article appearing under the head of "communications" in today's issue deals with a situation that has needed attention at Minnesota for some time. Further it deals with the situation in a way that leaves little to be said on either side. It is a subject, however, that is deserving of emphasis.

The treatment of chaperones at social functions at Minnesota is, notorious. Especially is this true of large university functions. Fraternity, sorority, and club functions are not usually so glaring in this respect, because the fraternal spirit or close intimacy of the group makes gross violations of good manners rather less prevalent, and yet even these are not entirely exempt from the charge of social negligence with regard to their chaperones.

One of the contributing causes to this condition of affairs is the surprising attitude taken by some undergraduates that chaperones are mere ornaments and not in any way essential or necessary partakers in or guardians of mixed social affairs. To some the need and even the reason of a system of chaperonage is not in the least apparent, that is if their statements are indicative of their true feelings. All this we believe is part and parcel of the characteristic spirit of independence natural to the young man or woman enjoying the freedom of social intercourse that is inherent in a co-educational institution under state control. This, however, is its source not its excuse. The student who does not permit these influences to get the best of his better judgment will realize how poorly such an attitude must appear to those who, living in other conditions, see in them only signs of dangerous and not-to-be-tolerated license. The day has not passed when chaperones can be entirely dispensed with and the sooner the minority of the student body realize this the bet-

ter. The majority of the students are not lacking in their knowledge or appreciation of good manners. The calling to their attention of a long standing evil ought to be sufficient to secure their co-operation to correct it. Even those to whom the idea of a chaperone has sometimes appeared as a useless custom will no doubt be willing to view the matter in its true light and remedy the existing state of affairs, by closer observance of the rules of propriety and courtesy in the future.

Communications

To the Editor of the Daily:

During the next few weeks there will be many occasions calling for chaperones. The increasing difficulty experienced by those appointed to secure them should lead us to ask ourselves why is this office, regarded with so much favor at other institutions, coming to be more and more universally shunned at Minnesota.

The chaperone problem can never be solved satisfactorily until the members of the faculty and their wives show a general willingness to help in the solution. Many times those who consent to act as chaperones do not take their duties seriously enough. They ignore conduct or bad manners which ought not to be tolerated. Again almost at the last moment, sometimes the day before, sometimes on the very day of a function, they serve notice they will be unable to attend without providing any one to take their place. We frequently hear that during a portion of the evening there were no chaperones at all; some of them came late, others left early. It should be definitely understood both by the chaperones and those whom they are chaperoning that any occasion which requires the presence of a chaperone ends when the chaperone leaves.

There are certain courtesies extended to chaperones as matters of course at universities where social functions are conducted with careful consideration of what constitutes good form. The women who are desired as chaperones are invited at least a week in advance in order that they may arrange their social engagements. At the opening of the affair as the couples enter the room, they are introduced. (Continued on page 2)

Why a "Cadillac Desk Table?"

\$8.75

IT WOULD BE DIFFICULT to find an article of Furniture handier for general student's use than a "Cadillac Desk Table."

IN FACT, Every Student, when engaging his room, should insist that a "Cadillac Desk Table" should be a part of the equipment.

A "CADILLAC DESK TABLE" operates by simply pulling out a Drawer, the Top of which, instead of being open, as in an ordinary Table Drawer, is covered, forming an Excellent Writing Bed, in which is inserted a Non-Spillable Ink Well and Pen Groove.

UNDER THE TOP is a Roomy Compartment for Stationery and Correspondence Material generally.

THERE IS NO NEED of disturbing anything on Top of Table while using the Drawer as a Desk.

THE METAL SLIDES enable the Drawer to be operated Most Easily.

WE FURNISH "CADILLAC DESK TABLES" in a Variety of Styles, Woods and Finishes.

THE PRICE ON MODEL ILLUSTRATED IS BUT **\$8.75**

WE SOLICIT THE PATRONAGE OF STUDENTS, and are equipped to supply their every need.

duced to the chaperones by the committee on arrangements and no one thinks of leaving without bidding the chaperones good-night. Where the occasion is formal enough, or the distance great enough to demand it, conveyances as well as escorts are provided.

At Minnesota things are frequently, self respect checks us from telling the truth to the extent of saying generally, done in a very different fashion. The search for chaperones is begun generally not a week, but a day or two before the event. The tale of the courtesies extended to her may be briefly told. Far from having her program filled out in advance by the committee on arrangements, the patroness is frequently allowed to sit thru the entire evening without receiving any attention whatever. She is, to be sure, furnished a chair on which she is allowed to sit, Gratia Deo. Now and then some one bows to her, even speaks to her, but for the most, her time is completely taken up with sitting, sitting, sitting, sitting still, and still sitting.

The idea that a conveyance should be provided, seems to be as new to most social committees as the Copernican theory to the sixteenth century and to suggest it almost as suicidal. Women invited to act as chaperones at formal functions where every girl, even the youngest, will be brought in a carriage or an automobile, are permitted to ride across town in street cars, despite the fact that there is scarcely a student social function of any importance which is not attended by many young men who have at their disposal automobiles.

Much criticism was passed upon the manner in which this year's Junior Ball was or was not chaperoned. It was stated that some of the chaperones came late and others left early. Inquiry brought out the fact that one of the chaperones did not know she was expected to be there until she saw her name in the Minneapolis papers. How many others got their invitations to this occasion thru the

columns of the daily press, we are not prepared to say.

The reflections on the attitude taken toward chaperones at Minnesota are offered by a friend of the students in the hope that they may be instrumental in bringing about a better state of affairs in the future.

An Observer.

Harriet Ahlers, Susan Crandall, Alma Strand and Marie Meland will be hostesses at the Social Hour in Shevlin this afternoon at four o'clock.

Attractions for Students

You will wish to make a few purchases before the University closes for the summer vacation.

A University Woman or Man naturally desires the best.

The average student naturally is so situated that a favorable price is much appreciated.

You probably know or have assumed from appearances that Donaldson's is the largest Department Store in the Twin Cities.

A very logical deduction from the fact just stated is that the size, the capital, the world-wide connections of Donaldson's enable them to spread before you a greater range of merchandise than can be carried elsewhere.

Therefore, it is highly probable that you can secure maximum value at minimum cost in this store with the big buying power.

You take no chances here, for we sell subject to your satisfaction.

Some of our Departments invite the special consideration of students:—

The Tea Rooms, for Class and Fraternity Banquets or smaller groups;

The Books and Stationery, for graduation gifts and announcements;

The Outer Apparel for Women,—which has doubled its sales this spring on the merit of the merchandise;

The Cut Flowers, delivered to your order;

The Confectionery,—about to occupy enlarged and improved quarters at Marquette Ave. and Sixth St.;

The Pictures and Picture Framing,—get your Diploma framed;

The Haberdashery for Men who know.

Meet your friends down town in our spacious rest rooms, and enjoy their free comfort, whether you wish to shop or not.

St. Paul

Big Agricultural Land Opening

TWELVE HUNDRED AND FIFTY TRACTS of five and ten acres each to be granted to prospective settlers in throwing open Twenty Thousand Acres of Rich, Southern Georgia Land, which is admirably adapted to the growing of celery, sweet and Irish potatoes, cantaloupes, watermelons, corn, oats, cotton, hay—in fact, all staple crops grown in this fertile section as well as a large variety of semi-tropical fruits, and the famous immensely profitable paper-shell pecans.

Providing you are eligible under the classifications prescribed by us, you are now offered an excellent opportunity to break away from the drudgery and toil of a small wage, or working for the benefit of landlords, and go back to a land of plenty, to which, if granted, you will hold a warranty deed and abstract.

The best security on earth is the earth itself, and land is the basis of all wealth. Owners of productive lands are benefiting by the increasing high cost of living, while others are suffering from it.

An Opportunity to Secure Rich Productive Land Without Capital

You will not be required to leave your present surroundings now. All we ask of those to whom we grant tracts is that they plant, or arrange to have planted, a crop of one of the above-mentioned products within three years, after which we will have it operated (harvested and replanted) for grantees, in consideration of 26 per cent. of the net profits derived from the sale of the crops, thereby allowing the grantee to pursue his or her present occupation until such time as they determine just what the yield of their acres amounts to. Consider what this may mean as a source of income, when statistics show that the yield of one acre of celery amounted to \$1,268.45, and that one acre of well-cared-for paper shell pecans, in full bearing, should net its owner as high as \$500.00 per year. We are of the opinion that after it is proven by actual results obtained in operating the land that they will need no further urging, and waste no time in locating in this land of plenty. We also require grantees to occupy the land within ten years, or sell it to someone who will occupy it; otherwise it reverts back to the grantor.

The land included in this opening is located directly on and adjoining the Atlanta, Birmingham and Atlantic Railroad, about twenty-five miles west of Brunswick, a thriving city of fifteen thousand, having direct occupation service to New York and Boston, and excellent railroad transportation facilities to all points. The average temperature for six months of the year, from April to October, is 71 degrees; the climate is most beautiful, delightful, and invigorating, and there is an ample rainfall of 51 inches per year.

OUR AIM IS FOR MUTUALLY BENEFICIAL RESULTS. As we are extremely desirous of having settlers locate on this property, and assist in its development, and thereby greatly increase the value of surrounding and intervening property, which we will hold, and to increase the traffic along the Atlanta, Birmingham and Atlantic Railroad, and thus facilitate the service, we feel warranted in granting these tracts to those who register with us. We also have in mind business and residence plots which we will offer for sale after the opening, but which will not be included in it. We have "money-making afterward" considerations in this liberal-minded opening, similar to those of the

Northern Pacific and other railroads when they granted their lands, and we expect to benefit thereby, as well as the ones who will receive the tracts.

We have also planned to develop what is designed to be the best equipped, most up-to-date, scientific, commercial farm and orchard in existence. It will consist of six thousand acres, and will be included in this opening. All who register and receive tracts will get the benefit of the experiments and scientific methods in vogue thereon. While we are arranging to prevent over-registration, we will avoid many disappointments, such as occurred in other land openings conducted by the United States Government and railroads, by granting those who register in excess of the number of tracts to be granted, an interest in this commercial farm and orchard enterprise, in the hope that they may later locate in one of our town sites.

Examination of the land will cheerfully be permitted, and the opening will be held at Browntown, Wayne County, Georgia, one of the stations of the A. B. & A. Railroad, which is located on this property, and will occur as soon after the closing of registrations as arrangements can be made.

The presence of those registered will not be necessary at Browntown on the opening day, unless they wish to attend, for there will be no favoritism shown anyone. It will be conducted by a committee selected for the purpose, and those registered will be notified of what they have been granted, as soon as possible.

With the ever-increasing population of this country there is no corresponding increase in the area of land, and naturally as the population increases and seeks the land in pursuit of health, happiness and independence, it will continue to be harder to secure.

The prosperous and contented class in Europe to-day are the descendants of those who secured land there when it was plentiful, while the descendants of those who obtained no land are now the peasants and slaves. You must realize that this may be your last chance to secure land in this country without a large outlay of capital, so it should not be necessary to urge you to act at once by forwarding us the application for registration attached to this announcement.

SOUTHERN GEORGIA RAILROAD LAND DEVELOPMENT BUREAU, COLORADO BUILDING, WASHINGTON, D. C.

Southern Georgia Railroad-Land Development Bureau, Washington, D. C.

Registration Department:

I hereby make application to register for your Fruit and Agricultural Railroad-Land Opening, and furnish you with the correct answers to the following questions:

Name City

State Street or R. F. D. No.

Age Married or Single Widow, Widower, or Orphan Occupation

Nationality Do you now own over ten acres of land in the United States?

If my application for registration is accepted, please send me, without obligation, further and complete information and particulars, including maps of the land, showing its exact location on the Atlanta, Birmingham and Atlantic Railroad, its transportation facilities, agricultural, fruit and nut-growing possibilities, etc.

Very truly yours,

GENEVA MEETING AT SHEVLIN
 Summer Conference Will Be Discussed at Special Meeting.

A special Geneva meeting will be held at 12:00 today in Shevlin. Girls who have been at the conference in other years will tell of their experiences and of the interesting people they met. A number of girls are planning to attend this large student gathering this summer. Everyone is cordially invited to attend the meeting this noon to hear more about it.

A candy sale is being held today, in the post office and in front of the Library under the auspices of the Y. W. C. A., for the benefit of the Geneva Fund, which goes to assist girls in attending the conference.

night with even money, but the odds changed from 10 to 7 in favor of Plankers, when it was learned that Blum sprained his arm gesticulating while talking over the telephone last night.

Carl Swendsen was chosen as referee. Art. Gow and Gerald Berry have rented dress suits for the occasion and are going to put on a skit entitled "Putting it over." During the skit they will sing several little parodies, chief of which will be "Let a little Daylight In."

Henrietta Prindle, and Jean Brawley, and others are going to put on a musical comedy. There will be a troop of chorus girls which is guaranteed to be the hit of the evening. The advance notices say that all the chorus girls are under twenty, and none are married.

MINNESOTA TENNIS MEN
 DEFEAT MACALESTER

The Minnesota team handily defeated a team representing Macalester College yesterday in a series of practice matches. Minnesota was not pressed at any time and won easily.

In the singles J. McGee defeated G. Ziesemer 6-3, 6-1; S. Smith defeated Carlton Ralph, 7-5, 6-3. In the doubles McGee and Stallwagen defeated Ralph and Ziesemer of Macalester in straight sets 6-3, 6-3.

Let fluent speakers tell us why The Honor System should be passed. Let some prophetic'ly espy The building for the men at last. Let co-eds pull each others hair O'er arguments as to the ways Of rushing freshmen:—We don't care We're going to quit in 30 days!

Some Local Signs.
 "This light and dandy store accidentally for rent."

"Furnished rooms for rent—hot water by the day, week, or month."

"Member This, Last Year?"
 "Nothing doing next year, old man."
 "What's the matter? Why not?"
 "Everybody doing it now."

OLUS SHIRTS

IN OLUS the outside shirt and underdrawers are one garment. This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "stay put," to say nothing of the comfort and economy of saving a garment. OLUS is coat cut—opens all the way down—closed crotch, closed back. See illustration.

For golf, tennis and field wear, we recommend the special attached collar OLUS with regular or short sleeves. Extra sizes for very tall or stout men. All shirt fabrics, in smart designs, including silk—\$1.50 to \$10.00.

OLUS one-piece PAJAMAS for lounging, resting and comfortable sleep. Made on the same principle as OLUS shirts—coat cut, closed back, closed crotch. No strings to tighten or come loose. \$1.50 to \$4.00.

Ask your dealer for OLUS. Booklet on request.

PHILLIPS-JONES COMPANY, Makers, Dept. C 1196 Broadway, N. Y.

Remember—If it isn't coat-cut, it isn't OLUS
