DULUTH -- Dr. P. B. Hofslund, professor of biology at UMD, has had a paper entitled "Hawk Migration Over the Western Tip of Lake Superior" published in the March issue of The Wilson Bulletin, the publication of the Wilson Ornithological Society.

Dr. Hofslund also has been reelected secretary of the Society for the fifth consecutive year and will represent the organization at the 1966 Council Meeting of the American Ornithologist's Union in Duluth this September.
