LAST RECEPTION THIS AFTERNOON

**Woman's League Will Celebrate
the Close of Successful
Year at Armory**

The final reception of the Woman's League will be held this afternoon at the Armory, and in point of view of entertainment and general good time it will probably be the best.

The League has passed through a most successful year and the reception will be in the nature of a final celebration over their achievements.

Following the informal reception a short program will be rendered as follows:

Piano solo Opal Fay
Recitation Katherine De Veau
Song Maud Johnson
Farce Pyramus and Thisbe

After the program informal dancing will be indulged in by the girls. Refreshments will be served.

This invitation is given by all the in the senior classes, both day and night, and to the wives of those students who are married. Certain newspaper notice have placed this reception on Saturday evening, which is incorrect.

**First Matches in Tournament Go to
Watson and Dunn.**

Two matches were played in the girls' tennis tournament yesterday. The first between Ethel Spooner and Agnes Watson went to Miss Watson, 6-2, 6-1. The second was won by Miss Irene Dunn from Rowena Harding, 6-3, 6-0.

Today at the 3rd hour Miss Rosenstein will play Miss Irene Radcliffe. Miss Van Bergen and Miss Schuyler will also play today.

(Courtesy Minneapolis Tribune.)

First—Geo. P. Jones, Minnesota.
Second—Thos. J. Meek, Chicago.
Third—Jas. F. Hallday, Michigan.

For the first time in her history Minnesota won first place in the Northern Oratorical League at Ann Arbor, last night. Mr. Jones' oration, "The American City," was one of the finest articles ever produced by any college student.

MANY WOULD BE NON-COMS

**Major Morgan Tells Non-Coms of
Their Responsibility For
Work of Corps**

Over seventy-five corporals and privates took the examination yesterday for positions as non-commissioned officers in the Cadet Corps.

Major Morgan conducted the examination in person, and impressed upon those who were candidates for higher positions that they were a great factor in bringing the Corps to a proper degree of fitness, and hoped that those who gained the coveted places would feel their responsibility.

Those who took the examination considered it perfectly fair and embracing those points which are in use in common drill. The large number present will insure enough non-coms for next year.

SHAKS WON.

The Shakoeps defeated the Castellans yesterday by a score of 16 to 5. The Shaks claim that they played an errorless game.

GEORGE P. JONES

The superb thought and composition of this oration, combined with Mr. Jones' rugged eloquence, won the judges and the audience last night, and gave him the first prize of \$100.

The contest was unusually good. Mr. Meek of Chicago spoke on "John B. Gordon, the Pacifist," and was awarded second place with a prize of \$50. James F. Hallday of Michigan won third place with his oration on "Webster and the Compromise of 1850."

NO GAME TODAY.

St. Thomas Team is Out of the Running.

The game with St. Thomas which was to have been played at Merriam Park this afternoon has been called off.

The St. Thomas team has gone to pieces since its defeat by Carlton, and finally notified Manager Deering that it would be unable to play. This leaves the Varsity without a game until the Illinois contest on Monday.

GOPHERS WILL MEET ILLINOIS

**Second Big Game of the Season
Will be Played
Monday**

The second big game of the year and the one that will undoubtedly prove the best will be pulled off next Monday, when Minnesota will cross bats with Illinois on Northrop Field.

The game will be a close one, for the Illinois have long been noted for their base ball teams, and Minnesota will do her best to defeat an old foe. The Varsity has been doing some hard work of late and will be in the best of form and stand more than an even chance of winning out.

The band will play and every effort will be made to satisfy the crowd, which promises to be a large one.

Bond will probably do the throwing for the Varsity, with Leach behind the bat, while Pfeffer and Zangere will be on the points for Illinois.

Play will be called at 3:30. Reserved seats may be secured for 35 cents at either book store. General admission 25c. Force will umpire.

FRESHMEN WILL MEET SHATTUCK

**Two Track Teams Will Do Battle
This Afternoon On
Northrop Field**

This afternoon the Freshmen run up against the strong track team from Shattuck in which will be the first freshmen meet ever held at Minnesota.

The freshmen have been putting in some good ticks during the last two weeks under the direction of Coach Temple and Capt. Smith, and some fast material has been developed. Several of the first year men are regular candidates for the Varsity, with excellent prospects of making the team. In the trials held Thursday a number of Freshmen were among those to make good.

The Freshmen entries are:
For the dashes, Murphy, Shedd, Christy and Hunter; W. Smith, Christy and Guild for the quarter; Bedford, Guild and Williams for the half, and Bedford and Williams for the mile.

Woodrick, Lewis and Kremer will look after the hurdles, Norcross the high jump, Woodward and Jones the

POOR PAY.

**Medics Do Not Care to Doctor Uncle
Sam's Men.**

A letter has just been received by Dean Ritchie calling attention to examinations soon to be held for those desirous of entering the government service as army surgeons. The fact that the pay offered to successful contestants is much lower than heretofore indicates that the medical profession is not free from overcrowding.

Dean Ritchie thinks, however, that students of the College of Medicine are qualified for better positions than those offered by the Surgeon General, and able to obtain them.

SAM TO LEAVE.

**Popular Barber Will Depart for New
Field.**

All lovers of good shaves will regret to learn that Mr. Reynolds, the Ski-U-Mah barber, will soon depart for other fields.

"Sam" stated yesterday to friends that he would leave in the near future for Cuba, where he has accepted a position as manager of a large plantation.

FAREWELL PARTY.

**French and Spanish Students Pay
Respects to Dr. Beckman.**

The French and Spanish classes of Dr. Beckman tendered the doctor a farewell at the home of Miss Jennie Hiscock, 715 13th ave. SE., Thursday evening. Despite the unfavorable weather a large number turned out to pay their respects to the departing professor.

A handsome paper knife was presented Dr. Beckman, and in response the doctor expressed his regrets at leaving Minnesota.

"A PUDDING HAS
TWO SIDES."

It has an inside and an outside!
The inside of a pudding, like the
inside of a shoe, is the most serious
part of it.

If the "proof of the pudding is
in the eating" the proof of a shoe
is in the wearing of it.

It is the wear of \$3.50 Regals,
which proves the materials put
into them equal to their \$6.00
appearance.

"Tannery to Consumer" system
helps the inside of Regals,
even more than the outside.

Style book explains why.

SENIORS FEED FOR LAST TIME

Grave and Reserved Ones Satisfy Inner Man and Make Many Plans

A dozen solemn Seniors met at Donaldson's Tea Room yesterday at the noon hour and talked over past mistakes and made plans for the future. Commencement week was gone over in all its phases, and tortures devised for the unsuspecting under classmen. They all decided that this was their last and only chance, and they agreed that they must make the most of the few remaining weeks.

When they returned to the campus in the middle of the afternoon they were as peaceful and harmless as ever. This is thought to be the last of the senior feeds, and those who have enjoyed them claim that they will remember the spreads when college days are far gone into the past.

Shattuck's team will undoubtedly be strong, and a victory for the Freshmen will be only by a narrow margin. Iddings, who will be remembered by his record in the indoor meet, is an exceptional man for a "prep" school, and in the recent meet at Faribault carried off first honors for all around work.

The meet will be held on Northrop Field, being called at 2:30 p. m. Admission will be 25c.
