

# Connecting researchers with funding opportunities

A joint effort of the University of Minnesota Libraries and the Vice President for Research

Leslie Delserone, Julie Kelly, and Jody Kempf, University of Minnesota Libraries

## Course Content:

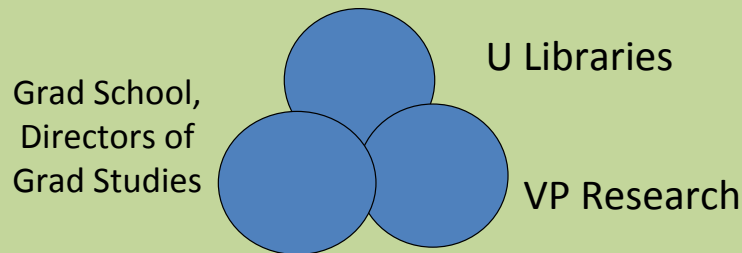

Hands-on workshop covering

- Internal grant opportunities
- Recently funded grants
- Advanced search strategies
  - \* Community of Science
  - \* IRIS
  - \* SPIN
  - \* Foundation Directory
- E-mail alerts

## Keys to Our Success:

Librarians know search strategies  
Filled a University-wide need  
Effective promotion network  
Supportive partners  
Combined strengths of campus connections

## Collaborators

## Audience

## On Your Campus:

- **Seek out** the Research office
- Access **grant databases**
- Develop a **workshop**
- Create **supporting materials** – handouts, Web sites, exercises
- **Include** these resources in other classes or workshops

## Future Work:

- ❖ Online multimedia workshop
- ❖ Presentations at grant writing workshops
- ❖ Possible research ethics course
- ❖ Tools for collaboration
- ❖ Thesis formatting workshop
- ❖ How to publish a research paper
