"DOWN WITH CORRUPTION" SAYS FOLK AT ARMORY

Thursday Night Ex-Governor Folk Speaks on "The People's Rights" Reserved States Fifty Cents.

Ex-Governor Joseph W. Folk of Missouri will lecture in the University Armory, tomorrow evening, on "The People's Rights."

"Down with corruption; to the front with civic patriotism" will be the slogan of the speaker, who will tell all about the rottenness of the average municipal government and give his solution of the problem. The inner workings of the city and state governments will be made clear; political bosses and machines uncovered; and the various sorts of graft exposed.

Mr. Folk has been thru the mill. No one knows better than he, what is going on under the crust of the political pie, and the audience tomorrow night will get benefit of his experience.

A well known politician says: "If you go to hear Joseph W. Folk, be prepared to receive a number of thrills and shocks. This dauntless Misourian exposes everything. Without fear or favor he springs sensation after sensation."

Mayor Haynes will introduce the speaker and incidentally "welcome him to our city." Governor Johnson and other notables have been invited to occupy places upon the platform while prominent citizens of Minneapolis and St. Paul will be out en masse.

Music is to be furnished by the University Male Quartette headed by William Wellington Norton. A medley of popular airs will be rendered, and Mr. Norton promises to have his singers at their best. As the Quartette is composed of the best voices in college, Arthur Allen, Ralph Canterbury, Joseph Granbeck and William Norton, the audience is due for a musical treat.

Dad Elliot, famous Y. M. C. A. worker, and former Northwestern star end, will be at the Armory, Thursday evening. Dad is a great admirer of Folk. In writing of the lecture he says: "It will be lasting benefit to all who hear it." Dad thinks that everybody in the University should turn out and welcome Mr. Folk.

Reserved seats for the lecture are on sale at both book stores, the Y. M. C. A., and the Accountant's office. A bargain price of fifty cents will prevail.

MINNEAPOLIS CENTRAL MEAT FOR WILMOT'S PROTEGES

Martin Played Star Game at Second Phillips' Box Work Good—Score 6-1.

Coach Wilmot's embryo ball tossers took a one-sided game from Minneapolis Central, Monday afternoon on Northrop field. Central opened the game with a jump, the first man getting a home run; only three more hits were secured during the rest of the game.

The game was a practice one for the varsity. McGovern and Johnson did not show up as well in Saturday's game and second baseman Martin took first honors getting two hits out of three times up.

Phillips did some good pitching, striking out six men with two interruptions. Rand caught the entire game and at times proved a little wild, having two fouls chalked up against him.

The score was 6 to 1.

ALL SENIOR MEN'S FEED

'09 Men From All Departments Will Banquet Saturday night at Dayton's, Eight O'Clock.

After one postponement, the All-Department-Senior-Men's Feed will be held this coming Saturday night, in Dayton's Tea Rooms, at eight o'clock.

The banquet will be unique, in the history of senior feeds at Minnesota, for it will be attended by Laws, Engineers, Academics, Medics, Dents, Chemists, Aggies, Pharmacists, and Miners, instead of each department holding an individual banquet by themselves. It will be the only one of its nature this year, and will be the last opportunity the Ought Niners will have for meeting their classmates in the other departments before they graduate.

The Feed Committee is figuring on about 150 men being present.

Senior men in all the departments are pushing the project, and President Norton of the '09 Academics has issued an invitation to the presidents of the seniors in all the other departments to co-operate.

Tickets for the feed are one dollar per plate, and can be secured from Fred A. Harding, Harry Dahleen, W. W. Norton, Fred Buck, and the presidents of the several senior classes.

VARSITY WRESTLERS PICKED

Johnson and Bakalyar to Represent Minnesota at Lincoln—Gym Exhibition Fine.

Lyle Johnson and George Bakalyar won out in the wrestling tournament, held Monday evening in the Armory. This gives them the heavy and light weight championship of the University. Also they have the chance to compete at Lincoln, Neb., for the championship of the west.

In the finals, Johnson wrestled Little, and Bakalyar threw Peterson. The matches were all fairly even and hotly contested.

The "Gym" exhibition proved a decided success and the team showed up in excellent form. They will leave

DR. CARYL STORRS SPEAKS BEFORE JOURNALISM CLUB

Tribune's Dramatic Editor Will Explain Practical Newspaper Writing, Thursday, in Library 13.

Dr. Caryl B. Storrs, dramatic editor of the Tribune has been secured to give the next lecture in the journalism course. His subject will be "Dramatic Work on the Newspaper" and is to be of a very practical nature. He will explain the manner in which he handles dramatic and musical criticisms, and will also emphasize the qualifications necessary for a dramatic editor.

Dr. Storrs is a graduate of Rush Medical College and for several years was a successful practicing physician in Lansing, Michigan. The call of the drama proved too strong, however, and he gave up his practise and started to write criticisms for a newspaper there in Lansing.

About seven years ago, he moved to Minneapolis and has been writing for the Tribune ever since, where he has gained the reputation of being one of the best critics in the country. Dr. Burton has often said of Dr. Storrs, that Minneapolis is indeed fortunate in having such a man as Dr. Storrs, for dramatic critic.

The lecture will be of special interest to English students and a large audience is expected. It will be given Thursday afternoon, at 4 o'clock, in Library room 13.

1911 COEDS PULLING HAIR

Upperclass Men Betting Even Money on Hairpin Fight—Eight Petitions Out.

Great enmity is being aroused among the young women of the sophomore class because of the ever increasing number of candidates for Women's Associates on the 1911 Gopher Board. At the present time, eight petitions have been received and as many more are circulating about the campus.

The competition for the three positions as Women's Associates, is waging fiercer every day, and bids fair to eclipse the fight for the position of Managing Editor. A number of Sophomore and Junior men have become interested, and are betting even money that the election will not be pulled off without a hair-pulling and hat pin contest.

DUTCH TREAT SATURDAY.

Plans for University Club Discussed by Alumni.

At the next Alumni Dutch Treat Luncheon, which will be held in Donaldson's tea rooms, Saturday, at 12:30. The proposed University Club will be brought up for discussion. A statement of what has been done and the plans for the future will be presented by the promoters of the club. Over one hundred and fifty names have already been secured for the petition to establish this club and an opportunity will be given to others to sign it at this luncheon. Membership will be limited to graduates of reputable colleges and universities.

BLAZING MILITARY BALL PASSES INTO HISTORY

Surpassing even the J. B. the Military Ball Ushers in Post Lenten Festivities.

With the last notes of "Retreat" still in the ears of the beautifully dressed throngs, the 1909 Military Ball came to a glorious close, in the early hours this morning. Never has the Cadet Corps given such a brilliant function as was that of last evening.

The gayly decorated armory assumed the aspect of a truly military camp; a long avenue of brown shelter tents faced the stage and each corner was filled with large circular "mess" tents. Thousands of yards of bunting and flags of every nation, were used to cover the bareness of the rafters.

"Old Glory" fluttered gaily, from a flagstaff guarded by two sinister field guns. The affair was strictly military thruout. Cadet gray, white ducks, and glittering sabres were in strange contrast to the few men in conventional black.

All credit is due to the Crack Squad for acquitting themselves so well, in their exhibition drill between the fourth and fifth dances. It is easily seen that the "drillers" have spent many a weary hour to perfect themselves for this event. And then too the bugle men did well, announcing each dance with a flourish.

"Rations" were served in regulation army fashion in the form of a dainty and enjoyable supper from the different "Mess" tents.

GOPHER BOARD HOPES DASHED TO THE EARTH

Cuts Valued at Several Hundred Dollars Lost in Bad Wreck at Elynia Ohio

Disaster has at last fallen in the 1910 Gopher Camp. Everyone has prophesied all sorts of trouble which would surely wreck the plans of the Board for coming out on the first of May.

Well, the expected has come to pass. A real live wreck has occurred, per schedule. A fast express, laden down with the superb cuts which are to make the present Gopher memorable, was derailed at Elynia, Ohio on last Wednesday April 7.

Without the cuts, the printing cannot go on, and as it will be two weeks before they can be replaced it is greatly feared that May day will find the Gopher in the hands of the printers instead of the subscribers.

Everything possible will be done to recover the time lost, and if all goes well, the big annual will probably be ready only about a week later than it was promised.

CHANGE IN CURRICULUM.

Several important changes are being planned in the curriculum of the Agricultural Department. The most important of these is the changing of the two year, normal course in Home Economics so as to include more pedagogical work. Another change of importance will be the requirement of a nine-month intermediate course.

SPRING REVIVES TENNIS

Work on Courts to be Started Inter-Fraternity Tournament New Feature.

With the advent of warm weather the tennis fever has again caught hold of the campus. Work will immediately be begun on the courts and arrangements made for the preliminary tournaments.

Chairman Bob Muir has evolved the idea of having an Inter-fraternity and inter-society meet before the regular university eligible tournament, to get out as much eligible material as possible. Then too, tournament play is the only way for the team to practice, as it steadies the nerves.

There will also be an All-University tournament for both men and women and in these tournaments a decided effort will be made to get out the faculty material.

Dual meets will be arranged with Wisconsin and Chicago, if possible. Last year the Board of Control voted "M's" for the tennis team and this should tend to get out the best players we have.

Three Requirements For All Students

You need reliable, original and complete material for written or spoken work. You also need books and magazines. And later a summer or permanent position, which you should plan for now, before all the best openings are filled. Here is the way to get all three at a minimum of effort and expense.

We Are Dealers In Facts

We furnish the best information obtainable on any subject in school, college or club, in business and public affairs. Our work is accurate, complete and to the point, carefully typewritten, promptly supplied, and arranged in suitable form, with outlines, bibliographies and full references.

We not only have in our own force highly-trained investigators and specialists in various lines, but we have made a business of "knowing the men who know" and by means of this system of knowing "Who's Who for Efficiency" we can go straight to headquarters for authoritative information and expert advice.

Added to our large stock of information on hand and our means of obtaining authentic information, we have a highly efficient system of sifting, arranging and presenting our facts in form that exactly meets individual requirements—that would exactly meet your needs.

We are especially strong in political science, economics, sociology, anthropology, fine arts, literature, applied science, commercial geography, travel and exploration, international law and diplomacy, history, foreign affairs, interstate and foreign commerce, financial and industrial conditions, and public problems and live questions of the day.

The cost is less than might be expected. Our charges for new and original material are at the rate of two dollars for each thousand words furnished. Quality of work guaranteed, or money refunded. Methods, references and quotations on important investigations furnished upon request. (We have thousands of articles on hand which we offer, subject to prior sale, a \$1.50 per thousand words, Send for price list.)

A Desirable Position For All

If you are wise, you are already planning about a summer or permanent position or about an opening in the professions or independent business. To introduce our service to you, we will give you advice, information and real assistance along these lines without charge (from now up to the time you secure a desirable position) if you send us a five dollar order for information,—i. e. 2,500 words or over at \$2 per thousand.

In our official capacity, we come in touch with boards of trade, chambers of commerce and other local and general organizations of employers, as well as large corporations and other concerns, educational and other institutions, and municipal, state and other governmental departments. We are thus in a position to know of positions of all kinds everywhere as well as opportunities for starting out in business or professional lines.

No tied tape, no commissions, no strings are attached to this offer. It is free and unconditional. This information we gain about positions is simply a valuable by-product of our regular information business, and we use it to attract, help and thus hold customers. We do for you all that any regular employment agency can do, with this important difference—we ask you to sign no involved contracts, pay no fees or commissions, and incur no other obligations.

Books and Magazines Free

As a further inducement, with every five dollar order for information we will give free, in addition to the employment privilege, any book or a year of any magazine you specify, the publishers' price of which is not over one dollar. With a ten dollar order for information, we will give \$2 worth of books or magazines, with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25 worth; and so on. Two or more men may club together with several subjects to make such an order and divide the privileges among them.

How To Order

Just think up one or more subjects on which you need material. Estimate the number of words required. Enclose two dollars for each thousand words desired, give us exact directions as to what you want and when you want it, and if order is for five dollars or over, name the books or magazines you wish and tell us about the position you would like and your qualifications for it. We will do the rest. Address at once.

THE SWINGING DOOR POLICY.

No business ever made a cent by passing by an opportunity; and no one of us is so conversant with his own business that he cannot always learn something profitable.

So much for the way we feel.—Here's an evidence of it. There's no bolt, hook or lock on any of the doors of the executive offices in our store—they're all swinging doors. That means we've always time to meet folks, our customers or the other fellow's, people who come to tell us our faults or our virtues.

There is no proposition we won't look into, no complaint that's "too much trouble" for us to investigate. We lay it down as a business rule that we have so much to learn we can't afford to let any chance slip by. Won't you lay it down as a business rule that there's so much chance of your learning something from our stocks that would benefit you in the purchasing of your wearable that you can't afford to pass it by?

Here's a whole store just brimming with the best spring stocks that have ever been assembled in this country, and we say that advisedly, because we've been around. Sooner or later every thinking college man is going to at least visit us. When he's done that, the evidence of the store will convince him that this is his logical clothes trading point.

If it's a suit or an overcoat, chances are Hart, Schaffner & Marx style will captivate, \$15 to \$50. In shirts, Manhattans are the supremely featured lines and worthily, \$1.50 to \$3.50. Hats rest much of their variety upon the John B. Stetson assortment, \$3.50 up and Crofut & Knapp range beginning at \$3. Palace crest shoes are featured at \$4, but names and prices, as you know, are merely incidents, it's the calibre of the store, the efficiency of the service, the satisfaction guaranteed that are going to make this store your store.

And the sooner you look into it, the more profitable to us and to you; the benefits will be mutual.
