## First Big Conference Game Today with Iowa

**Hawkeyes Determined on Victory.— Promise to Fight Every Inch of Ground. 400 Rooters.**

**Every Minnesota Man in the Game. Rooters Will Have to Make Big Noise.**

### Games Today.

Minnesota vs. Iowa  
Chicago vs. Purdue  
Nebraska vs. South Dakota

Today marks the opening of conference football at Minnesota. The Iowa football squad, twenty strong, is here and ready to put up the scrap of their lives to beat the Gophers. Coach Griffith of the Iowans says that today's game will be one of the hardest fought battles, the Gophers will run into this season. Every man will be in the game with all his power and Minnesota will have to play football from the first sound of the whistle until the game is over. The Iowa team is in first class condition and the coach is well satisfied with their work. He predicts a very close battle.

Iowa is primed up for this game. At the beginning of the year, the Iowa students in a mass meeting adopted the slogan, "Down with Minnesota", and since then neither rooters nor players have left any stones unturned, to give the Gophers a beating. The rooters, four hundred strong, accompanied by their band are here to yell and root for Iowa and bring back victory if they can. It is up to Minnesota to send them home in the way we used to do it with that old story, "Poor old I-O-W-A."

The Gophers are in fair condition and have the advantage of having played a previous game. The two teams are about evenly matched in weight so that speed, and a lot of it, will be used in this game. The spectators are assured of a good, fast contest. Dr. Williams would not make any statement as regards the game, except that the boys are going to play their best and would undoubtedly give a good account of themselves. They were given a light signal practice yesterday, but that was all, as Dr. Williams does not want to take any chances with injuries.

The scrubs lined up against the sophomores for a half an hour so that the coaches could get a line on the ability of the green men.

The band will be out in their new uniforms a half an hour before the game starts. It will be called at 3 o'clock.

The line-up is as follows:

Minnesota	Iowa
Pettijohn	L. E. Krensensky
Walker	L. T. Hull
Molstead	L. G. Bell
Farnham	C. O'Brien
Powers	R. G. Hanson
McCree	R. T. Gross
Radamacher	R. E. Hyland
McGovern	Capt. Q. B. Stewart
Johnston	L. H. Wright
Stevens	R. H. Murphy
Pickering	F. B. Wright

Four hundred freshmen have been enrolled at the School of Agriculture which opens next Monday morning. Already the total enrollment has reached seven hundred and forty.

## REPRESENTATIVES FOR W. L. COUNCIL ELECTED

**Vacancies in Students' Government Association Offices Also Filled.**

Women's League and Student Government Association elections came off yesterday morning with but little excitement. Votes for representatives on the council of the League were cast by the respective class members in four different rooms, each girl being allowed to vote for representatives from her class only, and the Student Government election was held in the Council room.

Representatives on the council are as follows: senior, Winifred Turner, Mae Cutler, Francis Lloyd; junior, Elizabeth Ware; sophomore, Margaret Dellinger; and freshmen, Ruth Ridges.

Enid Hutchinson was elected vice-president of the Student's Government Association and Henrietta Raudenbush, treasurer.

## MENKE AND RATHBUN KINGS

**The Long and Short of Rooting.—Big Meeting in Chapel Yesterday.**

Paul Mencke and Russell Rathbun were unanimously elected co-cheer leaders yesterday by an enthusiastic bunch of rooters. Harold Hull, in nominating Rathbun, said: "Mencke, is distinguished by his height, and "Bunny" Rathbun, for his shortness, and together they ought to make a winning combination."

Tom Collins acted as temporary chairman of the meeting. Mencke's name was put up before the Lawrence game but he hadn't understood that he was officially elected. He is a big man and looks capable of a good deal of noise. When called upon he stuck his hat in his pocket and responded:

"Fellows I appreciate this sudden honor thrust upon me so unexpectedly and I only want to ask for the Minnesota yell,"—which was given in a way to raise the roof.

The stands occupied by the rooters extend too far to be left to one man. At the Carlisle game three years ago a bugler gave the signal for rooting. This year the co-rooter captains will see that the rooting is up to standard.

## TWENTY TO BE CHOSEN TODAY.

Sigma Tau, a sorority of senior girls, held its first meeting yesterday afternoon. This spring ten girls were elected from the junior class, and these girls will choose twenty more today from the senior class. Those elected last spring, are: Anna Lane, Mae Cutler, Polly Fitzsimmons, Winifred Turner, Helen Haines, Julia Thuet, Helen Lydon, Agnes Erdahl, Marie Browne, and Pearl Sutton.

### SOPHOMORES SLIP IT OVER FRESHMEN IN CANE RUSH

**Score of 24 to 6.—Sensational Wrestling and Boxing.— Sophs. Have Best All Thru.**

With clothes torn to tatters and with dirt begrimed faces, the sophomores emerged victors in the annual Medic cane-rush. For a while yesterday afternoon, the Medics turned their attention from mending and healing to breaking and bruising. Sixty odd supporters of their respective classes madly fought for a place on the coveted stick. The first rush went to the sophomores 21 to 12. The freshmen were more fortunate in the next rush and won 19—17. In the final combat the sophomores had 26 hands while the freshmen had but 20.

The next event was the light weight wrestling, in which after six minutes of struggling, Flagstaff, a sophomore, threw Campbell, the freshman representative.

The middle weight wrestling was won by the sophomores, Marsh throwing Larson in four minutes after the first bout had been called a draw.

Thorburn a heavy-weight for the sophomores, pinned Rydele's shoulders to the ground in two minutes.

Kelly, a sophomore, outboxed the freshman, Krough in the light-weight event. The bantam-weight boxing contest was a draw between Swendsveen, a freshman, and Steinfeldt a sophomore. A draw was the result in the middle-weight match, Anderson representing the freshmen and Weed the sophomores. The freshmen were victorious in the heavy-weight event, O'Hare defeating Rudolph.

The referees were Pettijohn, Radamacher and Shove. The judges were Mitchell, Murphy, and Warner.

Ten points were given to the winner of the rush and three points to the winners of the boxing and wrestling events. Final score 24 to 6 in favor of the sophomores.

## MANY CARNIVAL FEATURES JUST BROUGHT TO LIGHT

**Committees Announced in Full—Carnival Headquarters to be in Folwell 10.**

The first meeting of the Carnival Committee of the Union came off enthusiastically with seventeen societies represented. The total number entered in the afternoon was the limitation of expenditure on the booths of each organization.

The ruling, which was finally agreed to, provided that a limit of seventy-five dollars was to be made on all individual society expense, and that the executive committee should meet all such expense up to fifty dollars, proportional to the financial success of the Carnival. Two valuable prizes are to be given to the societies; one for the "stunt," which takes in the most admissions, the other for the best parade appearance. The prizes

Starting on the third floor from a match carelessly dropt in a closet. Fire sweeps thru dormitory and help quarters, seriously burning two and overcoming three others.

Fire at Phi Gamma Delta House, 1110 6th St. S. E. burns top floor and recutes occupants from beds.

Searching thru a closet for a pair of football shoes ex-captain Orren Safford carelessly dropt a match and not noticing it, left the house for the evening.

One of the boys, Harold Downing, studying on the third floor hearing a crackling in the adjoining room and simultaneously shrieks from the help quarters stepped out into the hall to stumble over the prostrate form of the matron who overcome by smoke had started for the stairway, but had fallen before she could reach the landing.

Sounding the alarm within the house and telephoning to the fire department he dashed back upstairs and in the face of the flames, closed the door of the room from which the flames were sweeping the entire length of the hall.

Another of the fellows, Ralph Earke, from Fergus Falls, stove in the door of the maid's room to find her hanging from the sill of the window just about to drop to the ground three floors below. He shouted to her to hold fast and reaching out dragged her back thru the window and carried her down to safety on the floor below.

By this time three engines were connected and starting streams of water onto the flames from the outside. Below, the fellows were rushing clothing pennants, steins and scrap books to places of safety in the back yard.

In half an hour the department had the fire under control and the rushing of goods from the house stopped.

After things had settled down, roll call was taken and every one reported Harold Downing and Ralph Barke both having sustained severe burns, tho not dangerous. The matron and the maid were revived.

The house itself sustained about \$1,000 damages. Personal property and household furnishings damage is estimated at \$600.

### TESTING MUSHROOMS.

Sophomore botany classes have been making weekly expeditions to St. Anthony Park in order to become acquainted with the fall flora and species of edible mushrooms of Minnesota. In addition to this they have begun a study of the trees and shrubs found on the campus.

**MEN STAND UP FOR GIRLS**

Praises Co-eds and Gallantry of Men.  
Cites Episode of Chicago Game  
Last Year.

Chivalry at Minnesota is remarked  
upon by Edwin E. Slosson, in an ar-  
ticle on Minnesota University in the  
Independent, which is publishing a  
series of treatises on the fourteen  
great American universities. He says:  
"Women are welcomed and well  
treated in the University of Minne-  
sota. If any attempt were made at  
discrimination against them, the men  
of the university would promptly come  
to their defense. An instance of their  
gallantry occurred while I was in  
Minneapolis. The president an-  
nounced in chapel that the young  
women should not go with the young  
men on the special train to Chicago  
for the football game. The rule was  
obviously sensible, because it could  
not be expected that a thousand stu-  
dents, whether victorious or defeated,  
would maintain perfect decorum on  
the return trip, but it was resented,  
as every new restriction is in the  
West.

"The interesting point is that the  
boys were as indignant about it as  
the girls, and the student daily pub-  
lished protesting editorials. They  
were determined that the rooting  
should not lack its treble clef. But  
imagine the Harvard students going  
on a strike because President Eliot  
would not allow the Radcliffe girls  
to go with them when they went to  
New Haven to be beaten at football,  
or the Columbia boys insisting on tak-  
ing Barnard in a body to Ithaca for  
an inter-collegiate debate.

"The president calmed the incipient  
rebellion by his personal influence  
and a little diplomacy. But however  
misdirected, it was an interesting ex-  
ample of Western chivalry, of the real  
chivalry which demands equal privi-  
leges for the weaker sex instead of  
trying to shut them out or crush them  
out of every possible opportunity in  
work or play."

Thalians announce the following of-  
ficers:

President, Mary Heritage; Vice-  
President, Marjorie Knappen; Secre-  
tary, Charlotte Rankin; Treasurer,  
Elizabeth Ware.

In the doubles, Armstrong and Sis-

### THREE SECTIONS SOLD OUT

Aggies Contracted for One Hundred—  
Beat Last Year's Sales by Three  
Hundred.

Accountant Bren reports that this year's sale of football tickets will probably exceed last year's by three hundred. Since Tuesday morning when sales began there has been a steady stream moving by the window and those in the office have had time to do nothing but take care of sales. Out of 1188 about 1600 are already gone. Sections IV and V are entirely sold out and it is expected that all of section III will be taken by this noon.

The School of Agriculture sent for one hundred tickets yesterday but as only fifty could be spared, fifty more have been set aside for them. Next week registration begins there and sales will probably increase greatly.

This year an arrangement has been made by which a student who presents his book to the Accountant may have his seat reserved in another part of the section and by a payment of two dollars may purchase another reserved seat next his own.

### ORGANIZE BIBLE STUDY

High Officer of Y. M. C. A. Here.  
First Rally to be Held Tomorrow.

Mr. Neil McMillan, Jr., associate Bible secretary of the International committee of the Y. M. C. A., is on the campus today, and will lead the chapel exercises this morning. Mr. McMillan has come to assist the University in the organization of its Bible Study work, and brings with him a rich fund of information gathered through constant travel among the universities and colleges of the United States. He has, during the three years he has been engaged in the propagation of Bible Study, visited the educational centres of thirty-six states, travelling over 70,000 miles to accomplish this work.

The Y. M. C. A. plans its annual Bible Study rally for Sunday morning at 9 o'clock. At this meeting Mr. McMillan will speak on "Students and Bible Study", the announcement of the Bible courses of the year will be made, and classes organized.

### AGGIES WANT SETTLEMENT.

The meeting of the Board of Regents, which was slated for Oct. 26, has been postponed another month and the situation at the Agricultural College is still in the gloom. In justice to the present dean as well as to the students this doubt should be cleared up at once. The longer this matter is put off the greater will be the difficulties in making a change in administration. It places the new dean in an awkward position, that of taking up the office in the midst of the school year.

The Agricultural College, while an educational institution, does not enjoy educating a new dean every year and it is hoped that the new selection will bring a man who will be permanent, who will become a strong head of a strong institution.

It is not known who the regents are going to endorse but it is hoped that William M. Hays of the Agricultural Department at Washington and formerly of the Agricultural College faculty will be appointed to the position.

### U. C. A. RECEIVES TONIGHT

Freshmen are Honor Guests.—Inter-  
esting Program Planned.

Freshmen girls and men will be honor guests once more, when the University Catholic Association will give its big annual reception in Alice Shevlin Hall, tonight.

The arrangements are in the hands of Abbie O'Leary who has secured considerable University talent for the occasion. Vocal solos will be given by Winifred Conley and Frank Goodman. Leila McDermott and Mildred Langtry will entertain the guests with piano selections. The president of the Association, Ed Leach, and Father Byrne will address the guests.

The entertainment committee are very reticent about their plans but hint at some unique stunts. Professor Ryan and Lenerts and their wives will act as chaperons. All Catholic students are cordially invited.

The Association is planning a series of lectures to be given every Sunday afternoon in the Y. M. C. A. building. The first to be delivered tomorrow at 4:30 by Rev. James H. Moynihan, president of St. Thomas College. As yet the program of lectures has not been completed, but prominent religious workers will be secured. The subjects treated will be mostly of a religious nature.

### ENGINEERS' SOCIETY TO BE POPULAR WITH FLUNKERS.

Dean Shenehon in his talk before the Engineers' Society yesterday gave his word that he would be lenient with all students deficient in scholarship who were members of that society.

He asserted such membership was a proof of the proper attitude on the part of the engineer.

Despite the cancrush the engineers' meeting was well attended. Beside Dean Shenehon, Professors Fletcher, Shepardson and Constant gave short talks.

NEW SKETCHERS CHOSEN.

Brush and Pencil held its first meeting of the year Wednesday evening at the new drawing rooms.

After the customary spread, a business meeting was held at which the following officers were elected:

President, George Snyder; Vice President, Louise Strong; Secretary, Leila Witchie; Treasurer, Victor Roehrich. From those who tried out last spring the following new members were elected: Emily Tupper, Harriet Niles, Laura Paddock, Charles Beckel and Wenn Christianson. Following the business meeting the club sketched together for an hour. The next meeting will be devoted to the initiating of the new members.

NOTICE.

All ticket-sellers for Iowa game meet at Accountant Bren's office at 1:30 today.

All ticket takers meet at Armory gate at 1:45.

MADAMOISELLE SATISFIED.

The new drawing quarters is proving satisfactory," states Mlle. Clopath. "The light is good and there are enough rooms to allow each class its own class room. The large hall on the third floor which is to be made into a lecture hall is admirable for that purpose. The department also expects to make use of one room on the second floor as a library. It is a great relief to both students and faculty to have a house of their own after having been moved from one building to another so many times."

REUNION IN THE ALPS.

G. Raymond Orr '09, has been touring Europe this summer. He had taken his lonely way through the Pyrenees, and Ach Louies, and found himself in bad odor among the Swiss cheeses and alarm clocks. He stood gazing over the railing of a bridge at the top of the Peters milk chocolate trees or whatever was there, dreaming of Robitchecks and the Varsity lunch when a fairy came out of the mists. Suddenly the air was rent with "Gee, whew. Hello, Bess!" The fairy was only Bess Breen, '08, and G. Raymond was stung for a lunch.

All posters intended for the Carnival Competition must be handed in to the Postmaster by noon Monday the 4th. Madame Clopath will be the judge.
