DOWNING ELECTED MANAGING EDITOR OF 1911 GOPHER

Cox, Editor-in-chief—Mariette, Advertising Manager. Stellwagen, Secretary.

After a very exciting contest, Harold Downing was returned the winner for the position of Managing Editor on the 1911 Gopher, one more vote than all of his opponents. Hanford Cox won for Editor-in-Chief and Kenneth Hauser had no opposition for Business Manager. Bess Shannon, Ruby Applebee, and Ethel F. Hanke were elected for Women Representatives.

No opposition was shown in the Medic or Engineering departments. Nuessle will be Medic Representative and Robischon, James, and Barnum were the fortunate Engineers.

The feature of the election was the interest taken in the contest for Assistant Artist, over 1,000 votes being cast for these positions.

The votes were as follows:

Managing Editor.
Harold L. Downing—269
Russell Rathbun—72
Harold Taylor—82
Frank Totton—114

Editor-in-Chief
Hanford Cox—353
Charles Rodeen—167

ALL-UNIVERSITY MEET COMES ON SATURDAY

Large Squad Out for Several Weeks in Preparation—Iowa Meet in One Week.

Saturday afternoon, the all-university meet will be held. Only three more days are left to put the men in final shape. This will be the first outdoor meet this year, and will give track enthusiasts a definite line on the prospects for the year.

Coach Grant has had a large squad of candidates out for practise for several weeks, and has kept them in the running without a let up. Several former stars who are thoroughly familiar with the work, have been cut assisting Coach Grant, and the result should be one of the best track teams in the last five years.

In the dashes, Yale Smiley, captain of the team, who has been a steady trainer for four years, has been showing the other candidates up in great style. Judging from his work in the indoor meet and from the high grade of work he has been doing in practise, he ought to carry off first honors in both the 100 and 220 yd. dashes.

Harmon, and Stubb, stand well in the hurdles. They both won good places in the indoor meet, but the distance was so short, that the outside conditions are likely to change their relative standings. Ertl and Woods, are also showing up well in these events. Woods who is an experienced hurdler, was not in training for the indoor meet, but is likely to spring a surprise. Ertl has just recently become eligible and promises to make good.

Four strong candidates are out for

FRANK E. FORCE LECTURES ON SPORTING DEPARTMENT

Well Known Sporting Editor of the Tribune Will Address Men in Room 13.

Frank E. Force, sporting editor of the Minneapolis Tribune, and one of the best known men in his line, of the Northwest, will deliver the next lecture on journalism.

His subject will be "The Handling of Sporting News." As Mr. Force has been associated with the Tribune for the past eight years, he is well capable of dealing with this live topic. He is a graduate of Minnesota and holds an M. A. degree.

This lecture is for men, and will be given in the usual place, Room 13, Library building.

LOFTUS LECTURES BEFORE SUFFRAGE ASSOCIATION

Tomorrow Night in Dr. Burton's Room at 8 P. M.—Admission Free.

George S. Loftus, executive officer of the Minnesota Shippers' Association, will lecture to-morrow night in Dr. Burton's room, under the auspices of the Equal Suffrage Club. The Minnesota Shippers' Association has been engaged in a conflict with the railroads and leading shipping companies, about rates and rebates, and has secured some very beneficial legislation for the state. As president of this company, Mr. Loftus has been in close touch with this fight, and he will make some startling disclosures about the methods used by the moneyed corporations.

He will speak on the general subject, "The Money Power in Politics," but will deal chiefly with the money power in politics in Minnesota, during the last few years.

Several members of the faculty, who have heard Mr. Loftus speak, regard the facts as he presented them both illuminating and thrilling. They say that no student interested in current politics should miss this talk.

The lecture will begin at eight o'clock sharp, and afterwards an opportunity will be given for questions and discussion.

NOTICE TO SWIMMERS.

Entries for these events must be handed in at the Gymnasium office before Thursday night, April 22, 1909.

A Water Polo contest will also be held.

3 PROMINENT CANDIDATES FOR QUEEN OF MAY FETE

Kate Hubbard, Ruby St. Amour and Helen Riheldaffer in the Race—Election Soon.

After the names of scores of prominent Senior co-eds were read and re-read, and ballots of the primary election in the May Queen contest were counted, there remained three names which had received the largest number of votes. These were Kate Hubbard, Ruby St. Amour, and Helen Riheldaffer.

At an election to be held in the rotunda of the library, within a few days, one of these candidates will be chosen as the May Queen. Any "man, woman or freshman" on the campus may cast a vote for his favorite candidate, but each person is limited to one vote.

The directors of the State High School Debating League met here last Saturday, and elected the following officers for next year; Dean James, President; Prof. Anderson, Vice-president; Prof. Rarig to act as secretary, treasurer and executive officer.

The subject for debating will be chosen sometime in the near future, after a consultation with the directors.

GOPHER OUT ON MAY 8

Owing to Loss of Cuts, Book Will be Late—Will Establish Precedent.

On account of the twelve day delay caused by the loss of its cuts, the Gopher will appear on Saturday, the eighth of May. Altho this is somewhat later than the Board hoped it to appear, it is the earliest date on which any of the twenty-three junior annuals have been delivered.

It is fifteen days earlier than last year, and twenty-one days ahead of the book of two years ago. As usual, Gopher Day will be a great event and very little time will be devoted to anything else.

VARSITY TEAM WORKING FOR ILLINOIS GAME FRIDAY

Coach Wilmot Drilling Team Work Into the Men—Game Friday at 3 P. M.

Monday, the baseball squad had a long serious workout after the poor showing against St. Thomas College Saturday. The team came out, a tired bunch, wiser than when they went in, for they had just been under Coach Wilmot's iron hand and had been given a severe talk.

The men set to the work with a will, and at once showed a marked improvement over the spirit of last Saturday. A radical change must be made, if the team hopes to take Illinois into camp.

On Friday, the Illini come, strong in experience and in the belief that they can win from Minnesota. Last year, they got a first rate drubbing under the "big nit" of "Lefty" Dretchko, who didn't even give them a show, but this season they have been training to overturn the Varsity, as Minnesota is about the only formidable exponent on the Illini schedule. Then they will return home knowing all of "our team's" weak points, and ready to take advantage of them when Minnesota plays their return game at Urbana, May 22.

The Illini lads have a great margin on the Varsity, since they have been out at hard out-of-door work for many weeks, and the Minnesota squad have only had the advantage of three weeks training on the open diamond. Then too, Illinois have a most formidable staff of twirlers, while Minnesota has but two really good men in the department.

Yesterday the Varsity took on Macalester College, at the St. Paul Park in a practise game. All of the regulars were in their positions "pegging" the bases in great style. Johnston again was in the right garden, and fielded his chances like a true veteran. The injuries are few among the men and with the exception of Pettijohn's "game leg," all of the squad are in good condition.

The game Friday, takes place on Northrop Field, at 3:00 P. M.

W. J. BRYAN WILL LECTURE IN ARMORY ON MAY 11

Petitions Circulated—The Peerless One Will Talk on Trip Around the World.

William Jennings Bryan will speak in the University Armory, Tuesday evening, May 11. Three hundred signatures to the petitions which had been placed around the campus were secured in "jig time." The wonderful avidity that the students displayed in affixing their signatures to the papers demonstrates that the Nebraskan is a great favorite here, and an immense crowd will undoubtedly greet him.

No special preferences in regard to lectures were made, and accordingly the "peerless one" will give his newest address, which deals with his famous trip around the world.

Tickets will be placed on sale next week, and will sell for the usual bargain price of fifty cents.

Well, congratulations and
To the condolence, old man! The
Good best of us must lose and the
Loser good loser is as much the
man, as he who has fought
and won. Any way the fighting was
good sport. The losing is not even
a criterion of declining popularity,
merely the result of a plunge, an out-
burst of an idiosyncratic college pub-
lic, which is no more understood by
its self, than by the casual observer
from without. He who has voted
for the other man doubtless
five minutes later would have
changed his vote to you; and, when
he offers you this hand with a "Too

the quarter-mile. They are Mortenson, last year's captain, Smiley, Gelman and Hauser. In the half-mile, also, there are four competitors; Hull, Guinness, Knopp and Jaques. Hull and Guinness won first and second medals respectively, in the indoor meet.

Three of the same four are among the best for the mile event. Hull, Grimes, Knopp, and Sydermann are banked on most. Connelly, Bailie, and Rathbun are the men who will fight out the 2-mile event and if the forecasts are true at all, Connelly ought to finish first. His training has been very consistent and his work in past meets speaks for itself.

In the high jump, Jacobson, Lewis, Ferguson and Ostegren are the big boys; and Stubb, Woods and Westbrook, are the broad jumpers. A merry race is expected in the pole vault; Strame has been doing the best work, but will be hard pressed by Dorrance, Gore and Atkinson.

Ostrand is going to be way up in the hammer throw. Four others, Farnum, Schain, Lambert and Chapman will be the other ones to try their skill in this event. If Schain keeps up to his practise work, he will in all probability carry off the shot put, with Farnum and Ostrand fighting it out for the other positions. Pettijohn, Ostrand, Grant, Schain and Farnum, will all try their hands at the discus.

As the dual meet with Iowa is only one week off, Coach Grant is going to select Minnesota's representatives from the winners Saturday.

Three Requirements For All Students

You need reliable, original and complete material for written or spoken work. You also need books and magazines. And later a summer or permanent position, which you should plan for now, before all the best openings are filled. Here is the way to get all three at a minimum of effort and expense.

We Are Dealers In Facts

We furnish the best information obtainable on any subject in school, college or club, in business and public affairs. Our work is accurate, complete and to the point, carefully typewritten, promptly supplied, and arranged in suitable form, with outlines, bibliographies and full references.

We not only have in our own force highly-trained investigators and specialists in various lines, but we have made a business of "knowing the men who know" and by means of this system of knowing "Who's Who for Efficiency" we can go straight to headquarters for authoritative information and expert advice.

Added to our large stock of information on hand and our means of obtaining authentic information, we have a highly efficient system of sifting, arranging and presenting our facts in form that exactly meets individual requirements—that would exactly meet your needs.

We are especially strong in political science, economics, sociology, anthropology, fine arts, literature, applied science, commercial geography, travel and exploration, international law and diplomacy, history, foreign affairs, interstate and foreign commerce, financial and industrial conditions, and public problems and live questions of the day.

The cost is less than might be expected. Our charges for new and original material are at the rate of two dollars for each thousand words furnished. Quality of work guaranteed, or money refunded. Methods, references and quotations on important investigations furnished upon request. (We have thousands of articles on hand which we offer, subject to prior sale, a \$1.50 per thousand words, Send for price list.)

A Desirable Position For All

If you are wise, you are already planning about a summer or permanent position or about an opening in the professions or independent business. To introduce our service to you, we will give you advice, information and real assistance along these lines without charge (from now up to the time you secure a desirable position) if you send us a five dollar order for information,—i. e. 2,500 words or over at \$2 per thousand.

In our official capacity, we come in touch with boards of trade, chambers of commerce and other local and general organizations of employers, as well as large corporations and other concerns, educational and other institutions, and municipal, state and other governmental departments. We are thus in a position to know of positions of all kinds everywhere as well as opportunities for starting out in business or professional lines.

No red tape, no commissions, no strings are attached to this offer. It is free and unconditional. This information we gain about positions is simply a valuable by-product of our regular information business, and we use it to attract, help and thus hold customers. We do for you all that any regular employment agency can do, with this important difference—we ask you to sign no involved contracts, pay no fees or commissions, and incur no other obligations.

Books and Magazines Free

As a further inducement, with every five dollar order for information we will give free, in addition to the employment privilege, any book or a year of any magazine you specify, the publishers' price of which is not over one dollar. With a ten dollar order for information, we will give \$2 worth of books or magazines, with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25 worth; and so on. Two or more men may club together with several subjects to make such an order and divide the privileges among them.

How To Order

Just think up one or more subjects on which you need material. Estimate the number of words required. Enclose two dollars for each thousand words desired, give us exact directions as to what you want and when you want it, and if order is for five dollars or over, name the books or magazines you wish and tell us about the position you would like and your qualifications for it. We will do the rest. Address at once.

Arthur Everett Small (Late Special Investigator U. S. Gov't) Director
2401 NORTH CAPITOL ST., WASHINGTON, D. C.

BUSINESS BETTERMENT.

You may profitably give a few minutes' thought to this idea of the betterment of business; of uplifting and upholding standards of dealing with each other, of making a business serve a community, not merely take from it.

One way or another we're all business men; we can gain something from the experience and the work of others; it's worth something to you to know that service in business succeeds.

That's our aim here; the clothing business is perhaps the best business in the world to make a demonstration of the value and power of high principles; maybe because the common idea has been that in the clothing business such principles and methods have not always ruled.

The first idea, the foundation of it all, is quality in merchandise; if people are to be served, they must be sure of quality; we make it the first principle of our business. The question of prices is secondary; they're merely relative, anyway; they mean nothing without an assurance of quality. The next point is the way we sell the goods; the idea of service must rule there; not what we want, but what you want; and to encourage you to want the best things for your sake, not ours. And then, after a transaction, pleasant and profitable to both of us, to follow the matter through until your satisfaction is established and continued.

The result is this: We are uplifting the whole clothing business of the country; for success is a stimulant to others. Our stores are an educational force to other merchants; their influence reaches beyond the limits of this country; we fill orders from England, Scotland, France, Germany, from Mexico, Cuba, Panama, Japan. Dealers, manufacturers, tailors, consumers find profit in the work we are doing. Many buy suits or overcoats here as models, just as milliners go to Paris for styles, whoever he may be, to inspect our business and to discover our methods; you are invited to come just to look on.

We'll show the greatest stock of fine clothing in the world, Hart Schaffner & Marx' choicest suits and overcoats, \$18 to \$30.

Oscar Figman who has the principal comedy role in "The Merry Widow" was last seen here in the title part of "The Burgomaster." Wm. Leary, who also shines forth brightly, as one of the comedians in the Lehar opera, was here before in "The Sho Gun." The balance of this excellent company are all prominent in the world of musical comedy and are each and every one of them capable entertainers.

Lyric.

"Leah Kleshna" is a strong acting drama, if nothing else. The title role is one with rich possibilities and Edith Evelyn takes full advantage of them. She is especially good in the strong third act. The individual

work of each member of the company merits praise, and the ensemble work is seldom equalled by a road organization.

Bijou.

Romantic plays always please and "When Knighthood Was in Flower" is no exception. Plenty of action, good characterization, strong story interest; these are the strong points of the Major play.
