REPORTS FOR CAP AND GOWN DAY ANNOUNCEMENTS

The appropriate officers of organizations, societies, or clubs that annually award membership, honors, or prizes on the basis of scholastic attainment are asked to send to the Committee on University Functions, 202 Library Building, not later than Friday, May 12, a list of the persons who have received, or will receive, the honors this year.

The information is to be used in preparing the program for Cap and Gown Day.

The following appear to meet the qualifications suggested. If there are others which should be added to the list, will those interested promptly notify the committee?

RECEIVED

**DEPARTMENT OF AGRICULTURE
College Pre-Election Assembly**

There will be a College Assembly at the third hour on Thursday, April 27, in the Assembly Hall. Pre-Election matters will be discussed. Prominent student candidates will speak. All students who have no classes at that hour are urged to attend. Classes will not be dismissed but arrangements for postponement of work will be possible in some classes.

E. M. Freeman

Notice to All Instructors

Your cooperation in regard to the above mentioned College Assembly will be appreciated. If you have a class at that hour and can make satisfactory arrangements for a postponement of the work to Saturday, fourth hour, or any other time not interfering with other work, it will assist the students very

greatly. Faculty members are also urged to attend the assembly.

E. M. Freeman

Home Economics Students Notice

Agricultural Biochemistry 2. Quantitative Methods will hereafter be offered only in the fall quarter instead of in the winter quarter as at present.

Students who have planned to take this course next winter should rearrange their schedule so as to include it in their fall program MWF, V, VI, VII, VIII.

R. A. Gortner

Experiment Station Staff Meeting

There will be a meeting of the Experiment Station Staff at 4:00 p.m. Monday, April 24, in Room 1, Plant Pathology Building.
