RESOLUTION

WHEREAS, Mr. Earle Brown of Brooklyn Center, Minnesota, in a letter to the Regents of the University of Minnesota dated December 8, 1949, has expressed a desire to convey to the Regents of the University of Minnesota by appropriate Deed of Conveyance his Brooklyn Center farm, comprising approximately 750 acres together with the buildings erected thereon, lying and being in the County of Hennepin, State of Minnesota, in fee to have and to hold absolutely and forever without restriction or limitation except that Mr. Brown reserves in and for himself a life estate in said property, said conveyance to be deemed effective and complete as of date of said instrument of conveyance and upon delivery thereof to the Regents of the University of Minnesota, and

WHEREAS, The Internal Revenue Department may impose a gift tax assessment thereon, and

WHEREAS, If a gift tax is imposed by the Taxing Authorities the Regents of the University of Minnesota will assume the obligation of the payment thereof, and

WHEREAS, To facilitate such action on the part of the Regents of the University of Minnesota, Mr. Brown has indicated in his letter to the Regents of the University of Minnesota, dated December 8, 1949, filed supplement to the minutes, page 5337, his willingness, by appropriate Deed of Conveyance, to surrender his life interest in a portion of said Brooklyn Center farm, to be mutually agreed upon by Mr. Brown and said Board of Regents, said portion of said farm, or so much thereof as shall be necessary shall then be disposed of for the purpose of securing funds to repay the University, and

WHEREAS, Mr. Brown desires that his life interest shall extend to the first anniversary of his demise in order that his estate representatives shall have ample time in which to dispose of or remove the personal property housed on said farm at the time of his demise and to transact such other business affairs as shall be expedient in the administration of his estate.

Now, Therefore, Be It Resolved, That the President and the Secretary of the Board of Regents are hereby specifically authorized and empowered to transact in the name of the Regents of the University of Minnesota such business as shall be necessary and expedient relative to the subject matter.

Voted unanimously to approve the following resolution :

RESOLUTION

WHEREAS, Mr. Earle Brown of Brooklyn Center, Minnesota, in a letter to the Regents of the University dated December 8, 1949, has expressed a desire to convey to the Regents of the University of Minnesota his farm of approximately 750 acres which is located in the village of Brooklyn Center and is about a mile north of the Minneapolis city limits, in fee to have and to hold absolutely subject to a life estate retained by him, and

WHEREAS, the Regents are mindful and appreciative of the long and meaningful life of Mr. Brown to the state of Minnesota and are especially aware of his interest in the application of the principles of good government and of his constant endeavor to increase and improve the status and prestige of the state of his birth, and

WHEREAS, this particular farm is the ancestral home of Mr. Brown, and of his father and grandfather before him, and symbolizes in its broad acres, and the use to which they have been put, a philosophy of work and life which in itself is a priceless heritage to future citizens of Minnesota, and

WHEREAS, It is the intention of the Regents to preserve and to perpetuate for all time at the University of Minnesota, by appropriate action of their own creation, a recognition of the state's appreciation of one of its most distinguished citizens,

Now Therefore Be It Resolved, That the Regents of the University of Minnesota accept the said gift from Mr. Earle Brown of his Brooklyn Center farm to be conveyed by him in fee title subject only to a life estate reserved in and for himself.

Voted to approve conditions for the establishment of the Lillian D. and Walter J. Trogner Scholarship Fund as contained in the Last Will and Testament of Mr. Walter J. Voted to approve location of the College of Education Building in two separate connected units in the northwest area of the campus on the two sides of Pillsbury Drive between "The Knoll" and the railroad.

Voted to authorize not to exceed three Junior College Assistantships per summer term, Summer Session 1950.

The Board of Regents, having under consideration the Report of the Governor's Fact Finding Commission in the matter of Public Building Service Employees Union, Local 113, AFL, which report contained three groups of recommendations requiring action as follows:

1. Recommended civil service rule changes agreed upon in hearings.
2. Recommended civil service rule changes requiring further discussions between the Union and the University.

3. Recommended fourteen dollar per month across-the-board increase subject to certain legal considerations.

voted (1) to refer to the Civil Service Committee for consideration and public hearings those recommended civil service rule changes agreed upon in the course of the hearings; (2) to direct University representatives to continue discussions involving the recommended civil service rule changes that require further negotiations; (3) to instruct University representatives to advise the labor conciliator and the union that as a matter of sound public policy, regardless of legal implications, no across-the-board increase of fourteen dollars per month or of any amount should be made. The Regents directed that there be included in the minutes the following two major points upon which their position with regard to the across-the-board increase is based:

1. An across-the-board increase is inconsistent with a sound civil service plan because it destroys salary comparability within the plan as between the various classes and their related duties and responsibilities.
2. There exists between the Legislature and the University an understanding that University civil service salaries shall be comparable with those in the State civil service, as evidenced by the following proviso which appears in the University appropriation bill in the Session Laws of Minnesota for 1949, Chapter 743, Section 2, Item 1, and Section 3, Item 1:
"Provided, that from the above appropriation, all non-academic employees shall be paid a salary comparable to the salaries paid to state employees in the classified state civil service."

(4) to authorize proper University officers (i) to instruct University representatives to request the labor conciliator to seek a legal opinion on the proviso, (ii) to request the labor conciliator to join with the University in such a request if he was unwilling to make the request himself, and, failing in both (i) and (ii) to authorize the secretary to seek from the Attorney General an opinion.
