Will Meet Illinois, Chicago and Northwestern—Chicago Here May Second.

At a meeting of the baseball team held immediately after the Hamline game on Wednesday, Joseph W. Diedrich, shortstop on the team was elected captain. The only other candidate was Albert Dunnam the third baseman. Diedrich is a star player having shown exceptional ability in his position.

Togged out in their new white flannel uniforms, which were issued to twelve members yesterday, the University of Minnesota baseball team will present a natty appearance when they come forth on the Champaign diamond, prepared to battle the Illinois Saturday afternoon. The new suits, recently were christened in the game with Hamline. They are of white flannel, with a maroon, old English "M" on the breast.

The team will make quite an extensive tour, leaving yesterday to play Illinois, Chicago, and Northwestern. Leaving on the Milwaukee, they will go directly to Champaign, meeting the Illinois nine Saturday afternoon. Spending Sunday in Chicago, they leave for Evanston Monday noon, and play Northwestern the same afternoon. From there they return to Chicago, where they play Tuesday afternoon. Twelve players will make the trip, accompanied by Dr. Cooke and Allan McBean. On the following Saturday, the game with Chicago will be played.

Shakespeares Anniversary Commemorated in Chapel

George N. Northrop Delivers Eulogy on William Shakespeare in Chapel.

Musical Selections Are Given By Ora Hyde and North Dakota Glee Club.

The 350th anniversary of the birth of William Shakespeare was fittingly commemorated on the campus yesterday.

Acting on the suggestion of Professor George N. Northrop of the English department, and in accordance with the custom set by other schools and colleges of the country, of officially honoring the anniversaries of our greatest men, the administration arranged a special chapel program in memory of our greatest poet. It was particularly fitting that Professor Northrop was selected to deliver the brief eulogy on "William Shakespeare."

Ora Hyde sang two Shakespeare songs, "Hark, Hark the Lark" and "Blow, blow thou Winter Wind" followed by the North Dakota University Glee Club with "The Beleaguered" by Sullivan. Resolutions in memory of the anniversary were passed by the Garrick Club and by the Masqueurs.

Scan. Society Will Give Two Plays This Evening

Two Comedies "Nel" and "Det Ringer" Will Be Staged Tonight in "U" Chapel.

Miss Elmquist and Mr. Ostegren Will Play Leading Roles in Productions.

Two comedies are to be staged by the Scandinavian Society in the University Chapel this evening at 8 o'clock. The society has been rehearsing the comedies for several months and present them tonight to the public.

The two plays are, "Nel" by the famous Danish poet J. L. Heiberg, and "Det Ringer" by Helena Nyblom.

Heiberg the author of "Nel" introduced the so-called French vaudeville into Scandinavian.

"Nel" means "no," and the whole intrigue hinges on the use of this word by the young girl in answering the proposals of the two lovers in the comedy.

This motif of using "nel" has been used by authors before, but by none so cleverly as by Heiberg. The songs were all written by Heiberg, but the melodies were taken from composers who were popular in the 30's and 40's of last century.

The one-act comedy, "Det Ringer," is the work of Helena Nyblom, known chiefly on account of her Sagor (fairy tales). She has also written a number of lyric poems and short comedies.

The play gets its title "It Rings" from the superfluous number of telephones in the home of Fru Francke. (Continued on page 3)

Many Entries For Inter Fraternity Relay Race

Feature Of The Meet To Be Held Tomorrow Will Be Greeks Relay Race.

Annual University Meet To Be Held Out of Doors This Year.

One of the most interesting events of the All-University Track meet next Saturday will be the annual Inter-Fraternity Relay Race over a half mile course. Manager McBean announces that a silver cup has been donated by Minneapolis business men to be contested for in annual competition, three first places constituting permanent possession.

In former years this race has been an indoor event but, when the new floor was laid in the Armory last year rendering indoor competition impracticable, the large number of entries enforced better conditions or an out-door race. It is therefore this year for the first time to be run on the cinder track in conjunction with the All-U Outdoor Meet.

A. T. O., Delta Tau, Alpha Delta, Phi Delta, and Chi Psi have already signified their intention of running.

Entries for this race, together with those for the regular competition must be in the hands of the coach or the manager by six this evening.

Sigma Delta Psi trials this afternoon at 4 P. M. 100 yards dash, 120 yards hurdles and high jump.

FRESHMEN INSTALL NOVEL LOVE FEAST AS CLASS "MIXER"

"Louie" Daniels, Reed Hickerson and Harold Richardson Appear in Vaudeville.

BLACK TRIO WILL SING FAMOUS MINSTREL SONGS

Big Banquet and Good Program of Dances Will Complete Entertainment.

As a means of unifying the academic freshmen the "Social Symposium" or love feast which has been inaugurated by the freshmen class proves a precedent in an undergraduate entertainment.

The five course dinner will be served promptly at six-fifteen; vaudeville entertainment will be furnished by "real finds" such as Reed Hickerson, "Louie" Daniels and Harold Richardson; later in the evening the famous Minneapolis black trio will sing coon songs; and dancing will begin about 8:15 to continue until eleven-thirty. The party will be chaperoned by Mr. and Mrs. Phelan and Mr. and Mrs. Krey. Several popular Junior girls will assist and one general overseer will be chosen from the senior class.

Tickets will be on sale in both post offices Friday, Saturday and Monday noons. The sale will be closed Tuesday morning at ten o'clock. The time 6:00 till 11:30 P. M. on the 29th. The place, Alice Shevlin Hall. The price, 75c per plate.

Many Vote On Popular Girls For May Queen

Results of Contest Will Be Announced On the Evening of the May Day Dance.

Many Novelties Have Been Planned—May Queen Will Be Crowned With Great Ceremony.

As a result of the heavy voting from the ticket sale for the May Day Party, the leading candidates for May Queen are:

- *****
- Julia Plant *
- Katharine Bright *
- Helen Hardy *
- Gertrude Hagy *
- Mae Moody *
- *****

The race is going to be close from present indications.

The winner of the contest will not be announced until the night of the dance, and she will be placed in gay colored swing where twenty couples will perform in a new novel song and dance hit.

T. V. Aronson who is the chief promoter for fancy dancing on the campus, has a well drilled company, who will sing from five fancy swings in a Spring Song Specialty.

Munich Professor To Lecture

Dr. Von der Leyen, Who is Making Tour of West, Will Discuss "Das Deutsche Maerchen."

Professor von der Leyen, of the University of Munich, will lecture at the Law Auditorium Saturday evening, April 25th, at eight o'clock. His subject, "Das Deutsche Maerchen," is one on which Dr. von der Leyen is an authority. The speaker has spent this year as "Visiting Professor" in eastern universities, and is now on a lecture tour thru the West.

General admission is twenty-five cents. Student tickets at fifteen cents must be obtained in advance, and will not be on sale at the door.

N. D. BAND SURPRISES STUDENTS

Minnesota and Dakota Bands Entertain Dismissed Cadets.

With a spectacular arrival, which at first was thought to be an invading army, or a band on its way to Mexico, the military band of the North Dakota Agricultural College made a surprise visit to the University yesterday afternoon. Stopping in front of the Library building a pleasing serenade was given to President Vincent, whence the band went on to the Armory meeting the Minnesota band, and so pleasing Col. Lovering that drill was dismissed for the day. The two bands, surrounded by a jubilant crowd of cadets, gave an hours' impromptu program, which made the visitors brief stay a gala affair. The band is making its annual tour of North Dakota and Minnesota.

Visiting Glee Club Gives Concert of Unusual Merit

Three Baritone Soloists Make Great Hit and Answer Several Encores.

Special Feature of Program Was Clever Depiction of College Scenes.

The North Dakota Glee Club delighted a large and enthusiastic audience last night, in chapel in a program of extraordinary excellence. The North Dakota boys, under the able direction of William W. Norton, more than lived up to their reputation as one of the foremost musical organizations in the Northwest. The entire concert was marked by well balanced chorus work, superior solos and clever encores. By far the most popular number on the program was "On the Sea," by Buck, a more or less familiar piece inasmuch as it is on the regular program of our own club. It was sung through with a harmony and spirit that completely won the audience.

All three of the vocal solos "A Man's Song," sung by L. J. Anderson, "An Irish Lullaby," sung by Cuyler Anderson, and "The Foggy Dew," sung by Herman Wolf were very popular. Mr. Wolf's selection was particularly well received and his encore, "A Perfect Day," also made a great hit. In this he was accompanied by the entire club in a special arrangement of the song by Mr. Norton. All three soloists are baritone. The piano solo, Valse Caprice, by Ernest Rorke was also very popular and Mr. Rorke proved himself a pianist of unusual technique and ability. The most original part of the program was part three, depicting college scenes and introducing a number of musically original stunts.

Personnel Of Girls Glee Club on Tour Announced

Euterpean Club Will Make Extension Tour During First Two Weeks of June.

Twelve Chosen Choristers and Soloists Begin Practice for Tour Immediately.

The Euterpean Club, the Girls' Glee club, plans to go on the extension trip the first two weeks of June. The club has been practicing some time in preparation for the extension tour; and the result is the selection of twelve of the clubs most distinguished choristers and soloists. These twelve, the pick of the club, will begin practice immediately and they promise a chorus of the first class.

Those selected for the tour are; Hedwig Dahl, Josephine Wilcox, Pearl Johnson, Myrna Severs, Lucile Newcomb, Alta M. Potts, Annette Elmquist, Florence Brand, Josephine Byrnes, Helen Dunn, Gladys Recker, Charlotte Stevens.

STUDENT SOCIETY TONIGHTS GUESTS AT MILITARY BALL

Colonel Lovering of Cadet Corps Will Lead Grand March With Miss Rockwell.

CRACK SQUAD TO DRILL DURING INTERMISSION

Governor, Mrs. Eberhart, and Staff Will Be Among Those Present.

The crowning event of social life in military circles at the university will be staged tonight in the armory, when promptly at nine o'clock a sunrise salute will be fired and the national colors raised. The salute will be followed by the grand march led by Harry D. Lovering of St. Paul, chairman of the committee on general arrangements and colonel of cadets, accompanied by Miss Margaret Rockwell, also of St. Paul. A program of twenty dances will be played by the Shibley-Squires Orchestra.

After the sixth dance an exhibition drill will be given by the crack squad. Supper will be served after the twelfth dance and an exhibition dance by Mr. Bolby and Miss Elliot, professional dancing instructors from "La Trianon." Four courses will be served at supper. As the dance is scheduled to begin promptly at nine and as military etiquette will permit no delay, it is expected that the dance will be over by one-thirty. Among those present will be President and Mrs. Vincent and Governor and Mrs. Eberhart. A number of officers from Fort Snelling and other points in the Twin Cities will be among the patrons accompanied by their wives.

Cadet officers will wear the regulation full dress cadet uniform with the exception of the tan shoes. The cadet blouse, white duck trousers, white gloves and black pumps will be worn. There will be no flowers. Sabres will be worn by the officers during the grand march and the first dance. Civilians will be dressed in evening clothes. The gallery will be thrown open to spectators and an admission fee of 25c will be charged.

Men's Union Benefit Convocation Planned

Speakers Will Outline Needs of Union and the Present Campaign.

Choice of Design for Union Seal Is Up to the Board of Governors.

Members of the committee in charge of the campaign to raise \$30,000.00 for the benefit of the Men's Union have made arrangements for a mammoth convocation to be held in the Armory. The exact date of the convocation has not yet been set but it will probably be set for the latter part of next week. Speakers will outline the campaign as it has been planned and explain the needs for which the fund is being raised.

The Board of Governors of the Men's Union are considering a number of plates which have been handed in, in the competition for a design for the Men's Union medal or seal. Several excellent designs have been submitted and the choice has narrowed down to one or two which best embody the idea of Minnesota and the purpose of the Men's Union.

EDITORIAL COMMENT.

THE SOCIAL WHIRL.

The large number of dances and social functions which are scheduled to occur within the next two weeks and which are all-university affairs in their nature has drawn attention once more to the desirability of establishing some sort of supervision over these affairs. If the social element is not to become a destructive feature of our University life it would seem that some sensible and reasonable step in this direction should be taken.

The fraternities have recognized this evil and have been considering in their inter-fraternity council the matter of limiting fraternity social functions to Friday and Saturday nights. But just now there seems to be a mania for numerous large parties which are open to all and which are urged upon all. Some of these parties are backed by worthy motives, such, for example, as the Engineers' May Day Dance and the Gopher Dance to be given by the senior class in order to raise money for the new Men's building fund. But even these dances having a common end ought to have been united into one big party. It is regrettable that the effort to accomplish this union was not started earlier so that fusion might have been accomplished without asking one party or the other to make what appeared to it to be an unreasonable sacrifice with regard to its plans.

This slight and rather useless friction between two groups working for relatively the same thing, and the excess of large social functions sponsored by various organizations who can at will launch so-called "all-university" parties would be eliminated if some sort of student social directorship were established. This authority might well be lodged in the hands of a committee appointed by the Students' council. Rules ought to be adopted compelling any group of persons wishing to secure the patronage of stu-

dents in general for social functions to first apply for permission to this committee.

The directorship would be a wholesome check upon the present unregulated social system.

Communications

To the Editor of the Daily:—

One characteristic of the students of Minnesota University, I have observed, is an indifference to music and musical literature. If there is a musical program in chapel, very few attend. There is no orchestra in this University although there is abundant material for one. Lectures on musical subjects are given to empty seats.

Mr. Ferguson, of the Music Department has, for some time past, been giving extremely informal talks on the development of the symphony. He has taken in turn Haydn and Mozart, and has just finished taking up, individually, and in order, the symphonies of Beethoven. This Friday he will lecture on the Schubert "C Major." As each of these works represents a distinct phase in the development of music, no music-lover can afford to miss this and the following lectures, although he may have missed the previous ones. The talks, although they have been fully illustrated by a com-

prehensive performance, on the piano-forte, of each work by Mr. Ferguson, who is ably assisted by Miss Maude Peterson have had such poor attend-

ance that anyone but Mr. Ferguson would, long ago, have given up in despair. The time of these lectures is (Continued on page 3)

every Friday afternoon, at three o'clock. This hour interferes with the class hours of very few students. The Daily has advertised these talks only once, and at that time gave them very little space, so that they could have been easily overlooked. Lectures on music and hundred subjects, which are necessary for a higher conception of life and ideals, are given practically no space in the paper, but those of extremely mundane topics are given a front page column space.

Every music-lover should try his best to go to these lectures, for they are interesting, educational, and aesthetic. The music, also, is very well played and is well worth hearing. Perhaps most of the students of Min-

nesota have "Too Much Mustard" on the brain, and for this reason fail to see beauty in the works of the great masters, but there should be at least a hundred who like real music. Remember, the lectures are held at three o'clock, Friday, at the Music Building.
Yours sincerely,
An Ardent Music-Lover.

which intermittently and sometimes simultaneously break in upon the conversation in such a way as to provide humorous situations and direct the general trend of the plot.
The piece is an excellent example of Swedish colloquial conversation. It is full of racy humor and keen wit, and has an undertone of subtle satire on the "new woman movement" which swept over Sweden in the last part of the nineteenth century. The only character who has a small spark of unsophisticated humanity in him is the old man, Sommerberg. The author intended this work as a parody on the meaningless intercourse by telephone, which is carried on by a great many people in Stockholm.

The Cheshire Cat

Hopeless.

If College Profs did all our work,
And let us loll at ease,
If freely business we could shirk,
And money grew on trees,
If all our cares were at an end,
And war worries were too;
It's sure old Fate would straightway send,
Some more darn things to do!

Joy! Kitty has one eye open already.

Why worry? Woodrow gets \$75,000 a year for doing it for us.

EXTRA!

Is is rumored Pres. Vincent has resigned!

The rumor is unfounded, however.

Crystal Gazing.

The marble halls of Folwell echo solemnly to the forlorn tread of numerous lonely, unescorted co-eds—the Oak Tree is in the last stages of decay—the post office and library are deserted—the prayer books are thick with dust at the Y. M. C. A.—Lace curtains flop drearily at the windows of the Engineering Buildings—all is gloom. Mexico has claimed the flower of Minnesota's chivalry.

No. I. B. Pierce, kitty has gone too far now to withdraw.

Young and innocent though he is, Kitty has a horrible suspicion that some of these profs giving con exams

are in cahoots with the undertakers.—Student Council, ahoy!

Note—When you send in your complaints address them to Jeremiah Kat, Jr., Daily Office. Enclosed stamps for return of M's.

As Socrates said when he drank the poison-cup. "Aw, Rats!"

Girls Active In Athletics

Swimming Meet Scheduled For Next Tuesday Is Postponed Until May Seventh.

The women of Minnesota are showing unusual interest this year in athletics, and are especially engaged in such sports as swimming, basket ball, tennis, and horse-back riding. The swimming meet which was to have come off on Thursday of this week, has been postponed until May 7, owing to the condition of the pool, and because more time is desired for practice by those girls who wish to enter the tournament.

The presentation of seals by the Women's Athletic Association, will be made on the twenty-first of May, during chapel. At this time, seals will be awarded to those women who have won especial merit in the realm of sport. But few seals will be awarded this year, however, as it takes considerable time and efficiency to win them. This is the first time in the

history of Minnesota for women to be so honored by the Athletic Association.

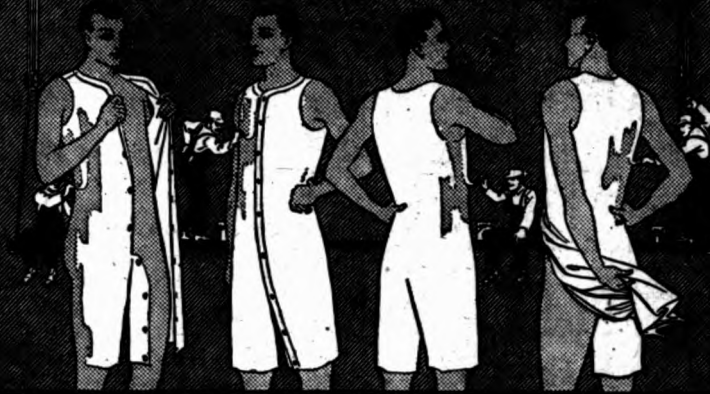

Classes in tennis have already been formed. The beginners class is scheduled for four o'clock on Mondays and Wednesdays; advanced players will use the courts at four o'clock on Fridays.

The horse-back riding club consisting of thirteen horse women take their lessons in riding every Thurs-

day at four o'clock, when they start from the Battery B stables. Last Thursday marks their first ride.

Girls' Tennis—The advanced class in girls' tennis will play today at 4 P. M. on the courts in the rear of the Law Building. The Physical Department will furnish balls and nets. Girls having any knowledge of the game at all, are in this class. Please appear at the stated hour.
