Please note that if you have questions, suggestions or feedback for Staff Senate, you can submit that here: [Staff Senate Suggestions Form](#).

To close, please take care of yourself. Self-isolation and social distancing will not be easy, and it's only beginning. We are no longer in an environment of "business and work as usual." Our situation is in flux and we still face a lot of uncertainty. Hopefully, by practicing generosity towards ourselves, each other, our students, and all members of our UMD community, we will weather this storm together.

Sincerely,

UMD Staff Senate
