NUMBER 135

W. A. A. ELECTS OFFICERS.

New Women's Athletic Association.
Perfect Organization.

Last Friday the women of the University cast ballots for the election of their athletic officers for the ensuing year. The voting was heavy, and the outcome in general was very close. Gertrude Moore won over Margaret Heinemann for president of the association, and Ruth Schriber received the highest vote for vice president and treasurer. Jean McGilvra was elected secretary.

Those who were selected to represent the various classes are: Barbara Pecor, senior representative; Catherine Cates, junior representative; Margaret Anderson, sophomore representative.

CAST IS SELECTED FOR "A PAIR OF SPECTACLES"

Robert Wilson Will Carry Leading Role In Cast Of Extension Play.

Lack Of Material Makes It Impossible To Select Two Companies.

The cast for "A Pair of Spectacles," the play to be given on the Extension tour by the Dramatic Club, has been announced by Mr. Charles Holt, director of the club. Because so few men tried for parts it has been necessary to give up the attempt to send two companies on the circuit, as had been planned. Rehearsals have been begun in earnest, and from all indications the cast this year will keep up to the high standard set by the cast that represented the University last year.

The cast is as follows:
Mr. Benjamin Goldfinch

Robert Wilson	Robert Wilson
Uncle Gregory (his brother)	Charles Groves
Percy (his son)	Walter Hughes
Dick (his nephew)	Robert Hodgson
Lorimer (his friend)	Noble Jones
Bartholomew (his shoemaker)	Norman Mitchell
Joyce (his butler)	Don Wilson
Mrs. Goldfinch	Enza Zellar
Lucy Lorimer	Lillian Seyfried
Charlotte (a parlor-maid)	Cassie Spencer

CATHOLICS ELECT BOARD.

Directors For Ensuing Year Chosen By University Association.

The annual election of the Board of directors of the University Catholic Association for the ensuing year took place Monday evening, May 5. The results of the election are as follows:

Academic: Marie Peterson, Aliee Leahy, Estelle Moynihan.
Engineering: Tom Quigley.
Medicine: Ben Gallagher.
Law: John Fitzgerald.
Dentistry: Joe Fournier.
Agriculture: Joe Gainor.
Faculty: Prof. Lehnerts.

JOHN SHADBOLT IS ELECTED EDITOR OF 1915 GOPHER

Successful Candidate Wins Over Carl Painter By Majority Of 19 Votes.

Despite Very Unfavorable Weather, Vote The Largest Ever Cast In This Election.

John Shadbolt, a sophomore of the academic college, was chosen managing editor of the 1915 Gopher, in yesterday's election. He led his nearest rival, Carl Painter, by 19 votes. The number of votes cast, despite the unfavorable weather, 658 in all, was the largest vote ever polled in a Gopher election.

The elections to the board of publishers is as follows. Marguerite Grimm and Bert Packer, academic representatives; Carroll Nelson, law representative; E. N. Foque, engineering-chemistry representative; F. P. Hansen, the agriculture-forestry representative and Edwin Williams, medicine-dentistry representative.

The election was conducted by the All-University Student Council and was held under the old Gopher constitution. This constitution provided for one managing editor, two representatives, one man and one woman, from the academic college. It also held that members of the Board could not serve on the staff.

In the academic college the strongest vote was cast, while the next vote was that of the medic-pharmacy-dentistry aggregation, which was only about half as large. The agricultural, engineering and law colleges were each below the medics and ranged about the same. As yet the night law is the only class not heard from, but it is thought their vote will not be sufficiently large to change the election.

PATENT GYRO-ACTION MACHINE

Profs. Newkirk And Zellner Invent And Secure Right In New Exercising Apparatus.

Professors Newkirk and Zellner of the Engineering department have just been granted a patent on a gyro-action exercising apparatus. The device is a by-product of their study of the gyroscope, and is said to be of great importance to modern engineering in that it is a practical application of the natural law of rotation.

When Brennan produced his first monorail-car, Professors Newkirk and Zellner took up the study of the gyroscope, purely for scientific research. During the course of their work Mr. Zellner suggested that the principle be applied to an exercising apparatus consisting of a dumb-bell like weight in which a gyroscope was placed. The model which was made proved so successful that a patent was obtained.

Miniature steamships and monorailways equipped with a gyroscope have also been made for experimental work. They show the application of gyro-action machines to modern inventions.

FINAL DRESS REHEARSAL FOR CIRCUS WILL BE HELD TONIGHT

DR. W. T. SWINGLE TO LECTURE

"Life History Studies" To Be Topic Of Scientist's Talk.

"Life History Studies" will be the topic on which Dr. W. T. Swingle, of the Bureau of Plant Industry, U. S. Department of Agriculture, will lecture tonight in the University farm's auditorium.

For many years Mr. Swingle has studied plants and their histories, and is one of the nation's best scientists.

His talk which will be of especial interest to those interested at all in biology, will be given under the auspices of the University Science Club. Admittance is free.

PRIZE OFFERED TO WRITER OF BEST ONE-ACT PLAY

Writing Craft Committee of Woman's Club Will Give Twenty-Five Dollars.

Dr. Burton Will Act As Chairman Of Committee To Choose Three Best.

To the undergraduate body of the University of Minnesota, the Writing Craft Committee of the Woman's Club of Minneapolis, announces a competition and offers a prize of \$25.00 for a one-act play.

Dr. Burton has kindly consented to act as chairman of a committee which shall judge these plays, selecting the three best, these to be submitted to the Writing Crafts Committee, which will make the final decision as to the prize winner.

Rules of the competition:

1. Competition open to undergraduates only.
2. Manuscripts to be sent by Nov. 1st 1913, to Mr. Wm. Gray Purcell, 2311 Humboldt Ave. So., Minneapolis.
3. Plays, to be from 20 to 40 minutes long.
4. Manuscripts to be typewritten and on one side of page only.
5. Manuscripts to be signed only by nom de plume.
6. With each manuscript should be sent a sealed envelope, having nom de plume on the outside, and containing:
 - A. Author's real name.
 - B. A large self-addressed envelope, stamped with sufficient postage for the return of manuscript.
7. The Writing Crafts Committee reserves the privilege of withholding the prize, should no one of the plays submitted, be of sufficient merit.

Sophomores Plan Get-Together.

The sophomores are planning an All-Sophomore get-together some time during the week beginning May 19. This get-together will be to celebrate the election of the new Gopher Board. At a meeting to be held this week, the various committees will be appointed, and the general plans for the celebration perfected.

Costumes And Make-Ups For Performers Will Be Ready At That Time.

ALL ACTORS MUST BE THERE.

Cabaret Plans Are Matured—Folk Dances Will Be Part Of Program.

It is absolutely necessary that everyone who is to take part in the circus be present at the last big dress rehearsal tonight at 6:45 o'clock. The costumers will be on hand with the costumes and make-up for all of the performers and as it takes some time to make-up and rehearse all the acts everybody is requested to be on time.

The young ladies who are to conduct the cabaret show have prepared a novel arrangement in regard to eats and entertainment. Nothing will be sold for more than five cents. All sorts of sandwiches, ginger ale, lemonade, coffee, ice cream, and every other known to circus goers will be served by the young women. The corps of waitresses, forty strong will be clad in distinctive costumes. Miss Bemis, who had charge of the eats at the county fair at the farm school, will also preside over the food at the cabaret, and has promised patrons the finest that they ever tasted "all for five cents."

Miss Marion Armatage has prepared a large set of posters to decorate the tent. Tickets, costing five cents will admit the bearer to the stunning "denatured cabaret show."

Eight of the best aesthetic dancers on the campus have been secured, among the Miss Mary Bryant, who will dance a solo dance in original costume, and Misses Myrna Presnell and Kate Martin, who will give a comedy skit.

The managers claim also to have collected about all the musical talent on the campus for this show. Miss Mildred Borom will present a number of Irish folk songs and dances.

FRENCH FARCE AT SHEVLIN

French Music Will Be Given With "La Poudre Aux Yeux" Tonight.

"La Poudre aux Yeux," the farce to be given tonight in Shevlin hall by Le Cercle Francais, will be supplemented by vocal and instrumental French music. Miss Ethel Harwood and Miss Gladys Jenness will play selections from Godard, Chaminade, and Schutt, while Miss Mary W. Edgar will sing the following French songs: "L'heure exquise," by Reynaldo Hahn; "Ouvre tes yeux bleus"; by Massenet, and "Madrigal," by Chaminade.

The curtain will be raised at 8:00 sharp. The tickets are selling at twenty-five cents to students and thirty-five cents to outsiders, and may be secured from the students in the cast or from the Co-op.

EDITORIAL COMMENT.

To many students the dance question is, no doubt, already a hackneyed subject. While we sympathize with this feeling we have no idea of letting the matter rest here. We have still to see any definite stand taken by the student body or by its representative organization. Nearly all seem to be agreed that extreme dancing should be eliminated. There is no further argument upon that point. In order to prevent any future occurrence therefore, some sort of legislation should be undertaken by the students themselves. To leave it for the faculty would be a reflection upon us as students who stand for the best things in college. A plan is suggested in one of the communications in this issue of the Daily. Let us see some action taken.

In this connection we desire to commend the members of the sorority which has been first to take any definite stand on the dance question. Those girls who had the courage to take the first step and to maintain their position, sometimes under embarrassing circumstances, deserve the praise of all the decent-minded people in the community.

The Daily has often said things about electioneering at the polls. We desire to say something more. Electioneering is acknowledged to be the worst feature of any election. To curb it there is supposed to be in force a regulation providing that no electioneering shall be done within fifty feet of the voting booth. Yesterday's election saw more than one flagrant violation of this rule. In some cases votes were solicited within four feet of the polls. While a certain amount of electioneering is necessary to create a healthy interest in election, it would be for the best interests of all concerned if it were kept within reasonable bounds. In future elections, therefore, it would be well for those in charge to enforce the corrupt practice rule more strictly than was evident at yesterday's election.

Communications

To the Editor of the Daily:
There is general agreement on the campus at the present moment that "rag" dancing should be regulated. The arguments pro and con, on moral and aesthetic grounds, have been given, and those who see nothing

wrong in the practice agree with those who oppose it that, for the good of the University, there should be strict control. The whole student body unites in saying that something should be done.

The All-University Council may well take the lead in this movement, which must come from the students. It should pass a resolution favoring the strict regulation of all college and interfraternity dances. It should call for the advice of all persons interested. Other student organizations should pass similar resolutions and stand ready to support the All-University Council in any action it may take. The measures and methods of regulation can safely be left to the Council.

cil, but in any event the Council should take no step so radical that evasion would be encouraged. A truly constructive policy will be conservative, and will put a great deal of dependence on chaperones.

Finally, the student body has now so clearly expressed itself that it is to be expected that the practice of "ragging" will be gradually abolished through the action of individuals and the stand taken by some fraternities. The somewhat odious publicity has had its effect. But whatever additional action is necessary should be taken at once.

A Senior.

To the Editor of the Daily:

In Wednesday's Daily there appeared a communication in behalf of "ragging." The remedy suggested for the unpleasant extremes was "regulation," not abolition. Who will regulate? Obviously it must come from the dancers themselves. But can the dance be regulated thus? At first the girl knows she can. As practice assures her of ability to "rag" she gravitates toward her partner, and after a few numbers she forgets everything except ragging along to the catchy tune. Both girl and man slip over the line of propriety and they do not realize how far over they have gone. There is something about the music and the motion that "gets you" and you keep going from bad to worse. Is there not something wrong with a dance like that? How can it be regulated when, by the dancers' own confessions, they do not know that extremes are reached and that vulgarity has begun?

The only remedy is abolition—complete renunciation of all forms of "ragging."

It is said "the rag has come to stay." It has, if the girls say so. The decision rests with the girls. Contrary to the views of one communicant, I do not believe the character of the University women has been assailed. The editorials have been absolutely free from any such taint. But I say now, the women are degenerating if they will continue to stand for a dance so impossible to keep decent. The eyes of the entire state are upon us and the good name of the University rests on our action. Why do we wait so long? Do the girls balk at a little responsibility? Or are they too selfish to deny themselves a perverted, questionable pleasure for the welfare of the University?

A Senior.

TRACK TEAM MEETS NEBRASKA

Corn Huskers Will Come To Northrop Field For Contest on Saturday, May 17.

The annual track meet between Nebraska and Minnesota will be contested on Northrop Field, Saturday, May 17th. Much interest is centered in this meeting of the two mid-western teams as the former meets have proved very hard won. Last year Nebraska won at home from the Minnesota team, but two years ago the Gopher team won the laurels by a strong finish in the relay.

The strength of Nebraska's team is unknown as they lost most of their veterans by the last graduation. It is rumored, however, that they have a strong team of dark-horses, who are determined to duplicate their last year's victory.

As yet Nebraska has not sent in her entries, but Minnesota will be represented by the following men:

- 100 yard dash—Robertson, Hodson, Webster, Wilcox.
- 220 yard dash—Fritche, Kronofsky, J. W. Anderson.
- 440 yard dash—Boylan, Robertson, Hodson, Fritche.
- Half mile—Ted Anderson, Husby, Brown, Hull.
- 1 mile run—Merdink, Brown, Moore, Wuest.
- 2 mile run—McKeon brothers, Joe Anderson.
- High jump—McAlmon, Ostergren, Orsinger.

FINAL DRESS REHEARSAL FOR CIRCUS TO BE HELD TONIGHT.

Continued from Page 1
Miss Nellie Churchill will give some Spanish selections, Miss Caroline

Clark, a former University student, will play several Hungarian selections on the violin, Mildred Langtry, whose rich contralto voice needs no introduction in University circles, will pass through the audience singing flower songs and distributing American Beauties.

Besides the main show, the young ladies have originated a "Cave of Mystery." Here Miss Isabel Vincent will head a group of gypsy fortune tellers, consisting of the Misses Ann Ferguson, Rose Andrews, Ruth Hanson, Margaret Dellinger, and Margaret Nachtrieb.

Besides these excellent acts the young ladies have been successful in securing several individual performers, who are said to be the best in their class. Bill Hodson has agreed to bark for the occasion, a noted clown has been secured to help dispose of the crowd, and several cadets, wearing Shevlin stars, will be present to enforce Mayor Nye's regulation in regard to cabaret shows.

The show will be open before the circus both evenings from 7:00 to 7:45, and Saturday afternoon from 1:00 to 2:00, and from 4:15 to 6:00.

The managers also wish to remind students that the circus stickers can be obtained free in the post office, and urge them to use the stickers on all matter sent out before the circus. "Ding-ling-ling! Hello? Sawdust!"

If you leave it to her she will say "Oak Tree." adv.

MINNEHAHA APPEARS FRIDAY

Last Issue Will Be Called Circus Number—Editors Plan Hasty Departure.

The last regular issue of The Minnehaha for the year is promised by the business manager to be on sale in the post office and at the usual places about the campus on Friday and Saturday, regardless of weather conditions and the printer's proverbial procrastination. As it is the final and crowning effort of the present staff, and the culmination of their endeavors to be really humorous, an extra large edition is being run off the presses to take care of the increased demand for copies. As indicated by flaming posters on bulletin boards and telephone posts, it will be a circus number. It is teeming from cover to cover with jokes, near jokes, jokes that might have been, and second cousins to jokes, stories and special articles, all with the color and phraseology of the tan bark and the sawdust circles.

One section of the funny mag is given over to the printing of some (not all) of the suggestions and ideas submitted to the directors of the All-University Circus, but which could not be used even in the cabaret show for fear of police intervention. The editor-in-chief of the Minnehaha has already departed for North Dakota, which was as far as the Registrar's refund would carry him, and other responsible members of the staff are anxiously awaiting the return of their deposits so that they may put themselves beyond state jurisdiction.

GOPHERS VS. ILLINOIS FRIDAY

Conference Leaders Expected To Push Minnesota Hard For Victory.

One of the decisive Conference games will be staged at Northrop Field on next Friday afternoon when Coach Sullivan's pupils meet Illinois. Illinois has one of the strongest teams in the conference. After being defeated early in the season by Northwestern, Coach Huff shifted the Illinois line-up with the result that that team now has a record of five victories and one defeat. Chicago has won three games and lost one, while Wisconsin is virtually out of the running with a record of three defeats and one victory. As the Gophers have won two games and lost one, the conference race narrows down to Illinois, Chicago, and Minnesota, with the odds favoring the Varsity. Chicago last week played a 4 to 3 ten inning game with the Hawkeyes, to whom Minnesota administered a 7 to 3 defeat, while Captain Doermann's men have already downed Chicago once. Nevertheless Illinois is leading the conference at present and will make the Gophers hustle to defeat them. The fact that Lambert will be on the slab for the locals assures the fans of a treat on Friday afternoon.

Tam O'Shanter Plans To Entertain.

Tam O'Shanter is planning to entertain the girls of the senior class at a picnic a week from Saturday. This affair is to take the place of the senior spread, given on Senior Day, and should prove in every way a most pleasing substitute. A campfire, stunts, and music, will give "atmosphere" to this river banking expedition.

Lists will be posted in Shevlin, and the junior girls are urged to send the names of their chosen senior guests to Lucile Babcock as soon as possible.

Michigan—No flowers and no carriages will be in evidence at the sophomore prom this year. Those attending desire to make the affair as informal as possible.
